Walk Through / Accommodations

As you enter the cockpit from the transom door, right away you notice the large amount of room the cockpit has(74 sf). Aft and center, there is seating for 2 or 3, to the port side of the seating area is the livewell, hot and cold wash down, battery switches and raw water wash down. The cockpit is self-bailing with 4 drains. Both gunnels have storage underneath. A fishing chair is installed on the port side of the cockpit

Moving forward we come to the the sink and bait prep station, with insulated fish boxes and tackle storage. Stepping up to the well appointed helm station with adjustable foot rest and seat. All the electronics needed to get you out to the fish and back. There is lots of net storage above head and in lockable electronics box. To the port side is the companion way down to the air conditioned cabin with the microwave, sink, fridge and more storage on the port side and the full head and shower directly starboard. Aft is the second birth that would sleep 2 adults or several children. Moving forward is the large dinett that will convert to sleeping quarters that would sleep 2 adults or several children.

Cabin can accommodate 4 adults overnight
