SPECIFICATIONS

Overview

The **STRIKE 35** has the largest fishing cockpit (90 square feet) in a boat of its class. The 11' beam makes the STRIKE 35 an excellent fishing platform. The **STRIKE 35** hull has a 56 degree entry and 23 degree dead rise which makes the STRIKE 35 a perfect offshore fishing boat. The propeller pockets offers a better shaft angle for performance and a shallow draft of 30" not found in most inboard boats. We can safely say that no other boat today looks like the Strike 35 The hefty beam-to-length ratio assures a very stable ride. With twin 370-hp Yanmar 8LV series are four-stroke direct injection diesel engines equipped with liquid coolant system and turbocharger with an air cooler and common rail fuel injection system, the Strike 35 cruises at a very respectable 38 mph and tops out at 42 mph. The standard-equipment list includes three fish boxes, each with a macerator pump; a combination livewell/fish box in the transom; a portside tackle center; freshwater and saltwater washdowns; and coaming pads. Other standard gear includes a substantial leaning post with rod holders and a removable backrest, stainless-steel shafts, and hardware and cuddy cabin accommodations.
