DETAILED INFORMATION

Description

Lekker boats inspired by the iconic Dutch "sloop" design, the Damsko is a wolf in sheep's clothing. Looks can be deceiving, but you'd never imagine this comfortable classic day boat (carrying up to 25 people) reaching a high speed and that's exactly what makes this boat so unique. The Damsko will have you flying over the water with a top speed of 80 km/h (42 knots). There's simply nothing like it out there! **We have three new boats currently available.**
