Overview

Caterpillar ESC Warranty until December 2021 with option to extend! Full-time, experienced captain maintains this boat to be in top condition at all times as the owners prefer to travel at the "drop of a hat." Currently there are 540 hours on the upgraded Cat C18 motors and the vessel is well-equipped and will not disappoint. Redundant watermakers, twin 23kw generators along with fixed and remote yacht controllers make this boat great for extended trips. This particular model is in very high demand and rarely comes on the market. The owners change of plans has this boat available, so come see this masterpiece of craftsmanship before she is snatched up. Tender will convey and also available is a 2016 Contender 30ST chase boat painted to match. Details available upon request. Desirable slip also transferable upon request. This Marlow -Last Foot II- was featured in the March 2016 issue of Power & Motoryacht. (copy/paste in search field) powerandmotoryacht.com/boat-tests/marlow-yachts-66e

Brokers Remarks

“LAST FOOT II” was custom built. No expense was spared to make this vessel "right" for the owners. She is a masterful creation that will not only catch your eye, but also perform well in nearly all sea conditions. These qualities are well-documented and it wouldn't take long to stumble upon a wealth of information detailing the quality of Marlow yachts.

Exclusions

The owner's personal items are excluded from the sale of the vessel.
