ХАРАКТЕРИСТИКИ

Обзор

By definition, Quintessence means the best of the best in class.....The epitome of what should be. This late model 60PC is all of that plus some. She has less than 500 hours on her Cummins QSM11's and is loaded with equipment. The 2 time Horizon PC owners are in the process of building their 3rd boat which make this opportunity available to the market. Quintessence is the open interior floorpan with 3 staterooms and an expansive salon. If you are into cruising on an opulent scale, please take a look and you will not be disappointed.
