SPECIFICATIONS

Overview

Triple cockpit arrangement with walk thru from forward to mid sections - with *seat insert*

Glass over wood construction (triple planked bottom & double planked above waterline) - highly varnished mahogany exterior (glassed over). Varnished mahogany floors.

Engine: Crusader 454XL - 330hp - fresh water cooled

Approximately 650 hours

- Hunter green leather seating
- Opening forward windshield
- Wood steering wheel
- 2nd cockpit side shields
- Spotlight
- Digital depth finder
- Full canvass boat cover - separate transom cover
- Fresh bottom paint August 2019

ANNABELLE has spent the past 17 years with current owner, enjoyed seasonally in the Adirondacks on Forth Lake - Eagle Bay, NY. She has always been kept in fully covered boat house and stored there during winter months. The owners' Adirondack home was sold in September 2018 and now the *ANNABELLE* is on the market. She is currently located and on display at Hacker Boats, in Silver Bay, NY -- on Lake George.

A thorough inspection/survey was conducted by Hacker Craft naval architect and it was determined that a few planks and other isolated sections had *soft wood*. As a result, Hacker Boats just completed (August 2019) a 6 week -partial restoration - replacing several planks and other areas that were in need of repair. *ANNABELLE* is now in exceptional condition - structurally, mechanically & cosmetically.

The 26' Hacker Craft *run-about* displays the sea worthy characteristics associated with their legendary vessels. Her robust design, wide beam, forward - gentle flair and ample freeboard account for a *soft ride* in most conditions. And the distinctive mellow/throaty exhaust sound is a welcome benefit while cruising on board or admiring her from shore!

Basic Information

Category: Cruiser

Sub Category: Classic

Model Year: 1995

Year Built: 1995
