## Overview

---

The current owners purchased Nonlinear in 2007 and have cruised extensively on her. She is a well balanced cruiser, capable of taking you anywhere in safety & comfort.....at a reasonable price. Nonlinear has been maintained and upgraded by very knowledgeable sailors, who have just returned from a two month trip to the Bahamas and have decided to sell her. If you are looking for a good value this is it.

# DETAILED INFORMATION

---

## Main Description

---

The current owners purchased Nonlinear in 2007 and have cruised extensively on her. She is a well balanced cruiser, capable of taking you anywhere in safety & comfort.....at a reasonable price. Nonlinear has been maintained and upgraded by very knowledgeable sailors, who have just returned from a two month trip to the Bahamas and have decided to sell her. If you are looking for a good value this is it.

## Walkthrough

---

Arriving from a tender, Nonlinear is easily boarded from her custom transom area into a large comfortable aft cockpit with a full enclosure. There is excellent storage underneath the cockpit seats. Going below, the owners cabin with a queen berth, occupies the entire aft section of the vessel. The head is accessed from two points, directly from the owners cabin or from the main salon which allows for privacy. The salon has a large U shaped dinette to stbd and settee to port. Her galley is to stbd with easy access to the cockpit. Vee-berth is in the forepeak.

## Electronics

---
