SPECIFICATIONS

Overview

DREAMTIME is one of Australia's best known and iconic motor yachts, with an extensive cruising history. She was built by Lloyds Ships Holdings, Brisbane and originally launched in 1986. Since then DREAMTIME has enjoyed excellent care and maintenance by experienced owners and professional crews. In 2015 DREAMTIME completed an extensive refit that included new engines, generators, Zero Speed stabilizers, new electronics package, all new galley and refrigeration, replacement of all sea cocks, electric motors, reconfiguration of the upper deck to provide for larger tender storage and entertainment area, complete new interior, new hull, superstructure and bottom paint, new shafts and props, in fact, all areas of the yacht from the keel upwards have been replaced, rebuilt or totally refurbished. This has brought DREAMTIME up to a standard that is as close to a new yacht spec as her owners believe it is possible to achieve. All work was carried out under the supervision of AMSA surveyors and a complete list of the refit work is available on request. The owners of DREAMTIME have decided to place her on the market so they can pursue other interests and this will enable new owners to enjoy the impressive features this fine yacht has to offer for many years to come.
