SPECIFICATIONS

Overview

"**CABO WABO**" is a 2005 40 Cabo Flybridge Convertible Sportfishing Boat that is equipped with twin CAT C12 engines, the most preferred propulsion package for this model. This midsize Cabo is Fish rigged for anglers who enjoy fishing for several days offshore. Excellent Garmin Electronics, Cockpit Bait Freezer, Eskimo Ice Chipper and Transom livewell are just a few of the great features of this boat. Fish or Cruise...you can't lose with this 40 Cabo. Call for an Appointment today!

Performance:

The Cat C12 with it's ACERT technology performs very well in the smokeless, quiet categories. This 40 Cabo Convertible Flybridge is equipped with these twin Caterpillar C12's @ 700 hp topping out at 35 kts (2,345 rpm) and range of 302 nm. With a cruise in the 29kt range (2100rpm) the range improves dramatically to 375 nm. The Cabo 40 Flybridge receives high marks in her engineering, high end amenities, and modified-V hull, with prop pockets delivering a comfortable ride in even the toughest seas. The Cabo 40 offers one-finger steering with backing down moves allowing a very small amount of water through the transom door which drains instantly through large scuppers.
