## Overview

---

COSMOS is a fine example of a luxury motor yacht delivered in 1986 by the respected Australian builder, Lloyds Ships, Brisbane. She benefitted from an internal refit in 2010 plus the installation of two new 859HP Caterpillar C18 main engines.

In 2012 COSMOS was extended to her current length of 32 metres together with upgraded teak decks and a full external repaint.

COSMOS has a full beam Queen owners stateroom and 3 generous guest staterooms, all with ensuites and capable of sleeping an additional 7 people,

COSMOS is one of the few motor yachts of her size with helicopter capability making for the convenient transfer of charter clients, owners and guests. Her huge upper deck also provides a generous entertaining area equipped with fridges, barbeque and catering facilities.

COSMOS has always been maintained and operated by a professional crew, supported by a knowledgeable owner as evidenced by her excellent condition. She can be chartered anywhere in Australia should her new owner wish to take advantage of her income producing potential.
