Overview

This 2005 Carver 33 Super Sport is brand new to the marketplace. The 33 SS is a versatile vessel and this boat makes a super platform for fishing offshore, cruising The Great Loop, or just living aboard at the destination you choose. The interior boasts such large volume, you just might forget the Super Sport is a relatively small flybridge cruiser. This Carver has been owned by the same family since 2009. "ESCAPE" has served perfectly as the owner's pied-à-terre; however, this season they have prepared their vessel for sale and I encourage you to set an appointment for viewing. ESCAPE has been properly maintained by one of Fort Lauderdale's family owned boat yards. In addition, since this boat served her owners primarily as a liveaboard, the hours on the Crusader main engines and Kohler generator are low. The interior of this boat is beautiful and it is obvious the owners have pampered their Carver 33 Super Sport! If you are seeking an attractive flybridge cruiser that has benefitted from a responsible owner, please do contact me for some additional insight that may not be obvious by reading the specifications and viewing our photos.
