## Overview

---

"T/T Buggywasher", a 2017 Everglades 435 CC is a Bristol example of open checkbook ownership. This single owner vessel has operated exclusively as the tender to a multi yacht operation. She has been dry stored inside a private single bay storage facility since new and has been professionally maintained by a full time crew of three.

The vessel is powered by quad Yamaha F350's, which are under Yamaha Y.E.S. extended factory warranties until the end of 2022. This specific 435 CC also qualifies for the Everglades 5 year Stem to Stern warranty, providing warranty coverage of the vessel systems and its components.

NOTE -The 5 year Everglades Stem to Stern warranty only applies to certain hull numbers, so be sure to confirm qualification while searching the market.

This 435 CC is equipped with Helm Master Joystick Control, triple Garmin 7616xsv GPS screens, CHIRP high and low transducers, Garmin autopilot, Garmin VHF as well as HD Garmin open array xHD2 radar, FUSION stereo and a full complement of JL Audio subs and speakers. She is also rigged with a collapsible full size second station that is rigged with controls and an electronics package fully redundant to the main lower helm.

Fully optioned, completely turn key, current services and aggressively priced makes this 435 Everglades the best value on the market.

Owner is moving UP and splitting the fleet into multiple locations. Quality trades will be considered.
