Accommodations

10 guests in 4 staterooms and 6 crew in 3 cabins

Aft Deck

Across the whole aft side of the Aft Deck there is a built-in u-shaped seating area for 10 plus 2 chairs and a cocktail table. A canvas canopy offers shade on both port and starboard over the aft seating area. On the port side of the aft deck, spiral stairs lead to the upper deck. Huge sliding glass doors open up to the salon. The curved glass offers a 180° view around the salon. There are 2 adjustable dining/cocktail tables.

Main Deck

As you enter the salon, on the port side there is a curved comfortable couch with large pillows and a large ottoman upholstered in a cotton material in navy blue with white trim. On the starboard side are two Nautical style chairs in cream leather to complete the seating arrangement. The suede leather ceiling in the salon is a curved shape to compliment the curved glass windows all around. The wood is bamboo throughout the

boat. There is a Samsung 50" TV on the starboard side forward that hinges out for easy viewing by all that sit in the salon.

Dining Salon

Next forward is the dining area that is separated from the salon by a small bar area with a small sink, storage for wine and liquor, icemaker and a fridge. The mahogany dining table, with high back fabric chairs which seats 8 comfortably and can accommodate up to 10. On both port and starboard of the dining area is beautiful custom cabinetry for storing all dishes, cutlery, etc, for full service. The lighting above the table is an original in chrome and aluminum designed by Omega. There are privacy shades to let in light and built-in electric patterned vertical blinds for complete privacy. Dining floor is bamboo. The forward wall has a clever design of leather insert that hide the cabinets with shelves for crystal glasses, etc.

Main Hallway

Forward from the dining salon on starboard there is a guest hallway with stairs up to the pilothouse and a day head. This area has a bamboo floor. An electric sliding door on the right opens to the starboard guest entrance.

The Day Head has a marble floor and counter in mustard and beige with a raised glass vessel sink.

On the port side of the guest hallway is the entrance to the Galley thru a sliding bamboo door. Another door on the port side of the galley is used by the crew to get to the crew area, which is located on the forward lower deck. The crew corridor has 3 top to bottom cabinets on the right that accommodate the electronics of the entertainment system.

Galley

The Galley is L-shaped with dark granite counter top and bamboo cabinets and is fully equipped with 2 Miele ovens (2018) , Gaggenau microwave (2017), Gaggenau ceramic cook top (2018), a freezer and 2 refrigerators (2018), a Miele dishwasher, a sink and various cabinets to store dry foods and ingredients. (In the tender bay there is an additional Whirlpool freezer (2018) and a Miele full-size refrigerator (2018).

Master Suite

Walking forward from the main hallway is the master suite. By the entrée there is a small corridor with two closets on the left and a full-length counter top with plenty of drawers to store personal items. The spacious master suite opens up with full beam width. It has a king size bed in the middle with two built-in night stands, a built-in office desk with drawers on the port side, a portable, very unique office desk (leather & wood) on the starboard side. There is also a 50" Samsung flat-screen TV with surround-sound system. On port side of the master bed is a walk-in wardrobe with

spacious hanger space and drawer storage. In the forward area of the master suite is the full-beam bathroom - his on port side and hers is on starboard side. There is a shared shower in between them. On port side is the toilet and bidet as well. Master floor and countertop marble are mustard/beige color and the top cabinets and shower walls are covered with small mosaics. There is a suede leather ceilings, bamboo walls, and bamboo floors throughout the master. The windows in master and master bathroom are covered with both privacy shades and blinds.

From the main guest hallway, there is access to the guest areas below. The guest staircase is located behind the bridge stairs. The staircase is carpeted, and the side walls are covered with white leather. The guest hallway provides access to the 3 guest rooms and the gym.

Twin Stateroom

The Twin Room is located on the starboard side and it is an L-shaped room: this room has 4 twin size bunks, 2 below and 2 above each other and the top two are removable. The room has drawers under the bottom bunks, a book cabinet and a closet. There is a 21" LG TV. In the bathroom there is a low-level white ceramic sink built in the bamboo cabinet, which contains a few shelves for the towels. Behind the mirror is a spacious cabinet for toiletries. The bathroom has a nice white granite shower with glass door and multicolor mosaic glass tile on the walls. This room has carpet, bamboo cabinet doors, white soft leather walls combined with matt finished white acrylic, and the ceiling is leather. Portholes have the same blinds and shades as the main deck areas.

Guest Cabins

The 2 Guest Cabins, one on port and one on starboard side, both have half-beam widths. They are identically the same size, and both have a queen size bed with built-in night stands on the sides, a cabinet with hangers, cabinet with shelves, 21" LG TV, Carpet, suede leather walls, suede leather ceiling, blinds and shades (the same as on the main deck.) Each guest room has an en-suite bathroom with spacious shower, toilet, and on both sides of the mirror there are cabinets with shelves for personal items. Under the natural finished marble counter there is also a cabinet for towels. Walls and ceiling are matt finished acrylic. The floor is natural finished marble, sand color, same as by the sink.

Gym

The gym is located in front of the port guest cabin. It has a 40" Samsung TV that is hinged and movable equipped with Apple TV. Full length mirrors adjoin on two walls. Full length bench settee that can be lowered and convert into a large sleeping area. There is storage beneath and behind the settee in a large wall Cabinet. Forward of the settee is a U-line fridge currently used as a wine fridge. The room has 2 portholes that are covered with both privacy shades and blinds. Walls are in the same bamboo, leather ceiling and rubber tiled gym floor.

Laundry Room

The laundry room has 2 Miele commercial washing machines and 2 Miele commercial dryers. There is a sink and a few small cabinets to store cleaning products, a bamboo floor and white leather ceiling. The forward wall of the laundry room is a watertight wall therefore the door is a massive watertight door. This wall separates the crew area from the guest area.

Crew Accommodation

The crew area is accessed from the laundry room through the watertight door. There are 2 forward crew cabins and 1 on the starboard side. All 3 crew cabins have en-suite bathrooms. Crew cabins accommodate 6 crew.

Bridge/Pilothouse

The Pilothouse is fully equipped with all up to date marine instruments and has a built-in chart table/desk and a separate table with a U-shaped couch on the port side for office work. There is storage under the couch, Bamboo floor, dark-mustard leather console, and same leather ceiling. Settee is covered in navy blue leather.

Deck Arrangement

Sundeck/Upper Deck

The fly bridge area is accessed through a sliding door. There are 2 big seating areas for those who want to enjoy the captain's anecdotes of the cruising area. Behind these seats/benches is the sundeck area, with a dinner table for 10, 4 chairs and U-shaped built-in couch. Underneath the couches is plenty of storage. Parallel with the table on the port side there's a comfortable 6 seat bar top counter. Underneath the counter there are numerous cabinets for full-service storage. The Sundeck bar is also equipped with an Isotherm icemaker, two refrigerators, Miele grill, and a sink.

There are awning shades which are hidden in the mast, one opens forward and one toward to the aft and they cover the bar and the table area on the sundeck. Towards the aft area are 2 seating areas, and a lovely-bubbly Jacuzzi surrounded by a 180-degree sun pad to get the right tan. There is an adjustable Tucci Zero Horizon umbrella that opens over the Jacuzzi and the middle part of the sun pad.

On the port side of the sun pad there is a spiral stair case. The whole sundeck floor is covered with teak. The sides and cabinets are all white, and the cushion pillows are beige with yellow and white piping. On the bow, in front of the bridge windows there is another sun pad area for lounging.

Swimming Platform

The swimming platform is accessed through the side stair cases from the aft deck. The

stern door/garage door opens down so the door that is covered with teak becomes the perfect swim platform. This area provides access for swimming, boarding a tender or jet ski, and setting up chairs and umbrellas to enjoy a “beach” setting.

Deck Equipment

Anchors & chain: 2 x Pool TW Galvanized 149 kg (150m and 100m)
 Passarelle: Hydromar
 Stern capstans: 2 x Acon CV type 2 E
 Side boarding ladder: (stern)Marquipt

Tenders & Toys

Toys: 2 x Honda Aquatrax F-152 x Hobie Ellipticals
 2 Paddleboards
 2 x full sets of bunker gear with SCBA's

Safety & Security

EPIRB: EPIRB Grab Bag: 1 (Flybridge) 1 (Flybridge) 2 x Zodiac 10-person, inflatable Yes
 Life rafts: Life jackets: 2 (main deck) 2 (Flybridge) 250 in Bridge
 Life rings: Line throw:

Fire-fighting equipment: Tyco Novac 1230 Marine fire suppression system (engine room) Ajax engineered CO2 Marine fire suppression system (galley) 30 Portable fire extinguishers 18 Smoke hoods

Flare kits: Searchlight: Bridge and Flybridge Yes

Security cameras: FLIR system
 7 CCTV security cameras throughout

Ships safes: Yes

Upgrades

2013 Refit:

Superstructure - all new paint
Corrosion control
Garage door service
Two new water heaters
New seals on both drive trains

UPGRADES

2017:

Interior updates to include carpeting, upholstery and soft goods
Carpentry
Streamline computing
Sonos upgrade
2 x Jet skis

2018:

Engine/Generator:

Engine cylinder head replacement
Engine cooling plates cleaned and serviced
Various engine repairs and service
Raw water leaks on generator and engine plumbing

Auxiliary:

New AC chiller plant
Exhaust repairs

Electrical:

Electrical upgrades throughout
ASEA shore power converters

Electronics:

Huisman electronics upgrade
Audio/Visual
Flir camera repair and upgrade

Exterior:

Haul out bottom paint and running gear
Canvas repairs
Exterior canvas recovered
Hot tub repairs and replace control boards
Buffing exterior

Aft tables
Aft settee extension
Teak repairs
Stainless steel railing repaired
Tucci umbrella on Flybridge

Domestic Equipment:

New appliances throughout
New refrigerator/freezer in galley

Interior:

Salon doors and windows replaced
Gym floor
Tender Garage reconfiguration
Stern door removed and Hydraulic repairs
Stern door paint gaskets and blister repair
Hydraulics on running gear repair and replaced
Vessel make up Air
Underwater lights
Capstans serviced and repaired
Re-chrome valve covers

2019:

Replaced Sailor Acu 3 VSAT
Replaced SAT compass
Naiad Active trimtab replacement

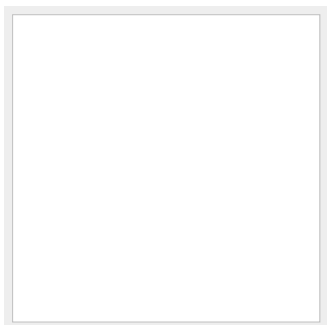

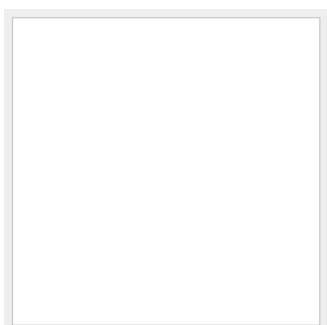

Исключения
