# SPECIFICATIONS

## Overview

*"Odyssea"* is powered by a Single Yanmar Diesel (300HP) and has an 8kW Kohler genset, new Garmin electronics (Feb 2018), 7hp bow thruster, trim tabs, autopilot, windlass, flybridge Bimini and enclosure, and much more. It features a spacious two cabin arrangement with large head and stall shower, full galley, and lower station. Fresh bottom paint and zincs (June 2019) Turn-Key. Ready to cruise the Islands or the Great Loop.

## Hull and Deck Information

---

**Hull Material:** Fiberglass

---

## Engine Information

---

**Engines:** 1

**Manufacturer:** Yanmar

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Walkthrough

---

**PRELIMINARY PHOTOGRAPHY** The two Stateroom one head layout sleeps four; two in the forward Master Stateroom and two in side-by-side bunks in the Guest Stateroom. Salon sofa with storage underneath could serve as a 5th bunk if needed. The vessel's 14' beam allows for a roomy Salon that includes a full galley-up and the lower Helm Station, both forward in the Salon. Continue forward, and down four centerline companionway steps, to the staterooms and head. The Guest Stateroom has a pair of twin berths (with storage underneath), and a generous hanging locker. The dual entry head with separate shower stall is to starboard, directly across the companionway from the Guest Stateroom. The Master Stateroom features a centerline queen island berth (with storage & drawers underneath), two hanging lockers, multiple storage spaces and a private entry to the head.

## Notable Features

---

- Recent Yanmar Engine Service
- Garmin 942XS Multifunction Display - Lower Helm (Feb 2018)
- Garmin GPS Map 7610XSV 10" MFD - Upper Helm (Feb 2018)
