SPECIFICATIONS

Overview

Seahawk check's all the boxes. She is well known in the Ocean Reef area and has placed well in recent Key Largo tournaments. This 2008 three stateroom 60 Viking is in incredible condition and has updates galore. The factory extra fuel forward allowed for the proper installation of a Seakeeper 16 (installed by Viking Riviera in the cockpit). The electronics at the helm and in the tower have all been updated to Garmin's latest including the addition of a multi function display at the mezzanine. A custom anchoring system makes it more functional for the Bahama's anchorages and the bow rail makes it safer for the crew. All this is topped off by complete rebuilds on the CAT C32's (completed June 2019 and warranted for 1 year). Now there is no reason to go buy a newer boat for a lot more money. Turn key, tournament ready, in like new condition! All the other boats will be compared to this one....so don't miss this one.
