## Overview

---

Meticulously maintained and extremely clean, this convertible/sportfish was custom designed to make her an ideal vessel for fishing, diving, cruising & overnighting. Key features include her relatively shallow draft (3'6"), excellent cruising speed and fuel efficiency, expansive swim platform with large custom dive ladder, cockpit sunshade, fully "glassed" fly-bridge and an abundance of storage - both inside (including a custom salon banquet) and out.

The Salon seats guests on the port-side pull-out sleeper sofa and features custom storage cabinets (great for tools, gear and barware) to starboard in place of a table/settee. The upgraded interior features Corian countertops and Sun Fabric on the sofa and walls, coupled with the custom carpet, they add a clean and bright look to the interior. The forward windshield window adds light to this already spacious living area.

The very functional Galley offers a stainless-steel sink, a 2-burner Euro-Kera range, and a Sharp Convection Oven, as well as an abundance of storage in the cabinets, pullout drawers and pantry. The upgraded two-drawer Sub-Zero fridge/freezer operates on or off of the inverter. Flooring from the galley forward is teak.

The Master Stateroom boasts a queen bed with tons of storage (underneath, closet and hanging lockers) and direct access to the head with full-stall shower and Vacuflush toilet. A Private guest stateroom features two custom bunks with extra storage and a closet. Sleep two more guests on the pull-out couch in the salon.

Outside, the extra large Cockpit (80 ft<sup>2</sup>) features a custom flip sunshade, custom stern bench with cushion, and transom door leading to a large swim platform with a full custom stainless steel swim ladder with handrails. Enjoy a hot fresh water shower. There's also raw and fresh water washdown hookups and abundant transom and flush-floor storage. The engine room hatch is built into the mezzanine seat and next to the port side freezer.

Helm controls include two new (in 2018) Garmin 7617 xsvs Chart Plotters and transducers (including side-view CHIRP capability), upgraded Garmin XHD22 radar, and

VHS & Hailing system. Raymarine Autopilot and Engine synchronizers The Flybridge accommodates the entire family while offering great sight-lines for fishing and diving. Enjoy the Clarion stereo system and LED lighting along with a full Isenglas enclosure for wind/rain protection.
