SPECIFICATIONS

Overview

This is a rare opportunity to acquire a truly unique and one of a kind Azimut motor yacht the most impeccable 105' in existence. AMANECER underwent a full transformation with Driscoll Boat Works in San Diego, California in 2015. She has undergone a \$3.5 million refit that has been thoroughly documented every step of the way. The owner spent this extensive yard period attending to each and every aspect of the yacht with a complete overhaul of all interior and exterior spaces as well as substantial upgrades to the ship machinery such as stabilization shafts, props, water makers, twenty two HVAC air handlers, LED lighting, and superior audio/ video equipment.

World renowned interior and exterior design firm Marmol Radziner completely transformed the standard interior into a bespoke space of casual elegance with many unique custom furnishings and meticulous craftsmanship. The result is a space of pure comfort that would only be seen on a much larger yacht complete luxury at sea. AMANECER has also been featured in the 2016 edition of REFIT 17th Edition, the gold standard for refits, rebuilds and restorations.

The yacht has a full time crew of six and continuously undergoes a rigorous maintenance schedule she is hauled yearly for a complete bottom job as well.

The owner maintains an open checkbook for the yacht, she is in pristine condition with every add-on imaginable this is truly a turn-key operation and ideal for someone looking for a new yacht but not interested in waiting on extensive build times.

Basic Information

Category: Motor Yacht

Model Year: 2009

Year Built: 2009

Country: Mexico

Dimensions

LOA: 105' 0" (32.00m)

Beam: 22' 11" (6.98m)

Max Draft: 6' 5" (1.96m)

Speed, Capacities and Weight

Water Capacity: 660 Gallons

Fuel Capacity: 4333 Gallons

Accommodations

Total Cabins: 4

Total Berths: 10

Total Heads: 6

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MTU

Model: V162000M93

Engine Type: Inboard

DETAILED INFORMATION

Key Aspects of Major Refit

- New ABT TRAC Stabilization systems with Zerospeed stabilizers largest system ever installed on a 105'
- 22 x new HVAC air handlers and two new chillers
- New underwater lights by OceanLed - 8 total
- All teak decks have been replaced and are new - Cost of \$150,000
- Flooring in garage
- Engine room has been repainted
- All interior and exterior lighting has been upgraded to Cantalupi LED with all new switching and lighting modules
- All leather renewed through out
- All exterior seating renewed with high end European fabrics
- New interior and exterior designs by world renowned architect/designer Marmol Radziner
- Two new high capacity SeaRecovery 1400 gallons per day water makers
- New Spot Zero water treatment system and UV sterilizers
- Every through hull valve replaced
- New 2015 SeaDoo GTX260IS 65+ mph with suspension
- 5 x SeaBobs
- \$400,000 audio/video including State of the art Savant system and Kaleidoscope systems.
- Remote controlled electric blinds integrated into the media system
- Completely new Navionics package by SIMRAD for flybridge and pilothouse
- KVH high speed broadband Internet with full WiFi throughout vessel
- 4 x DirecTV receivers Latin America and 4 x DirecTV Receivers USA
- Sodium high intensity lighting in garage and engine room
- 2x Miele commercial washer/dryers
- Complete refit to galley with stainless countertops
- All new Miele appliances
- New upgraded shafts and five blade VEEM props
- All new exterior tables
- New high-end European carpets and rugs throughout
- New \$200,000 furniture package
- 3 x standup paddleboards
- New dive compressor
- Cap rail newly stripped and varnished with 30 buildup coats - cost of \$50,000
- Newly air-conditioned media/storage space (below pilothouse)
- Chilewich flooring in galley and on flybridge
- 2 x 16-person zodiac life rafts 2015
- 12 x Professional dive gear

- Portable infrared BBQ
- \$100,000+ in spare parts for the yacht
- Installed custom innerspring mattresses
- Beautiful custom Carrera marble dining room table
- New trim tab system
- All fiberglass and gelcoat consistently maintained with SeaShield
- Stainless steel LED lit yacht mounted name letters on transom

Main Salon / Dining

- Bar cabinet on starboard aft side of salon with sink and ice maker. Bar cabinet with wooden bar top and stainless steel working top
- Glass holder and bottle holder on outboard side, behind the bar cabinet
- Dining area with custom Carrera marble table and chairs for 8 people
- Cabinets for ample storage of glassware, cutlery and dishware on sides of dining area
- 2x Arm chairs
- 1 x Four seater sofa
- 1 x Three-seater sofa
- Coffee table
- TV cabinet on starboard side of the salon, with hi-lo mechanism containing Planar 55" Ultra Slim LED TV
- Glassware, cutlery and dishware for 12 people
- Remote controlled electric blinds integrated into the media system

Galley

- Access to the pantry through the main deck lobby
- Dinette with L shaped settee and table
- Planar 32" Ultra Slim LED Television/Display Built in Cabinets
- Stainless steel counter tops
- Remote controlled electric blinds integrated into the media system

Equipment in the Galley includes:

- Miele electric four burner counter top range with pot holder
- Sub Zero refrigerator
- Miele oven
- Miele High speed oven
- Miele hood for the cooking top
- Miele dishwasher
- Microwave oven
- Stainless steel sink
- Refrigerator and freezers
- Access to staircase to crew quarters
- Chilewich flooring
- Laundry room on port side with Miele washer and dryer and a single Pullman crew berth

Main Deck Lobby

- Lobby located on starboard side forward of saloon allows access to:
- Dining area of salon
- Staircase to wheelhouse
- Technical area underneath the wheelhouse Staircase to lower deck
- Media room/fifth stateroom

Media and Entertainment

The entire yacht was rewired with over one mile of CAT 6 to accommodate a 100% refit of all audio video components, amplifiers, Savant control system, televisions, custom speakers, subwoofers, custom fabrication, Kaliedescape movie server, CCT Security System with DVR back up to cloud, professional wifi access points in every zone.

Main Salon

- 2 x James Loudspeakers 10" Subwoofer 1 x James Loudspeakers Sound Bar
- 4 x James Loudspeakers 6" Flush Mounted Ceiling Speaker 1 x Planar 55" Ultra Slim LED Television/Display
- 1 x Savant SmartLink HD Receiver Control Box
- 1 x Access Network Wireless Access Point (WAP)
- 1 x IPAD Remote Control
- 1 x NEC Large LCD Phone Master Stateroom:
- 2 x James Loudspeakers 8" Flush Mounted Ceiling Speaker 1 x Planar 55" Ultra Slim LED Television/Display
- 1 x Savant IRXLN0100 SmartLink HD Receiver Control Box 1 x Access Network Wireless Access Point (WAP)
- 1 x IPAD Remote Control 1 x NEC Large LCD Phone VIP Stateroom:
- 2 x James Loudspeakers 6" Flush Mounted Ceiling Speaker 1 x Planar 32" Ultra Slim LED Television/Display
- 1 x Savant IRXLN0100 SmartLink HD Receiver Control Box 1 x Access Network Wireless Access Point (WAP)
- 1 x IPAD Remote Control 1 x NEC Large LCD Phone

Twin Guest Staterooms Each with:

- 1 x James Loudspeakers Narrow Aperture Speaker 1 x Planar 32" Ultra Slim LED Television/Display
- 1 x Savant IRXLN0100 SmartLink HD Receiver Control Box
- 1 x Access Network Wireless Access Point (WAP)
- 1 x IPAD Remote Control 1 x NEC Large LCD Phone

Tender Garage:

- 1 x James Loudspeakers Custom Sound Bar 1 x James Loudspeaker 6.5" Subwoofer
- 1 x IC Realtime ICIPD1300VIR Camera
- 1 x Access Network Wireless Access Point (WAP) Galley:
- 1 x James Loudspeakers 6.5" Subwoofer
- 1 x James Loudspeakers Sound Bar
- 1 x IPAD Remote Control
- 1 x Planar 32" Ultra Slim LED Television/Display
- 1 x Savant IRXLN0100 SmartLink HD Receiver Control Box
- 1 x NEC Large LCD Phone

Media Entertainment Room:

- 1 x James Loudspeakers 12" Subwoofer

Main Deck Aft:

- 1 x James Loudspeaker 10" Custom Subwoofer
- 2 x James Loudspeaker 8" Flush Mounted Ceiling Speaker
- 1 x Planar 24" Ultra Slim LED Television/Display
- 1 x Savant SmartLink HD Receiver Control Box
- 2 x IC Realtime ICIPD 1300 VIR Cameras
- 1 x IPAD Remote Control

Bow Lounging Area:

- 2 x Custom Removable James Audio Speakers Pilothouse:
- 2 x James Loudspeakers 4" Flush Mounted Ceiling Speakers 1 x IPAD Remote Control
- 1 x NEC Large LCD Phone
- 1 x IC Realtime ICIPD 1330 VIR Camera
- 1 x Savant HCXSLN50100 SmartLink Digital Extender
- 1 x Savant IRXLN0100 SmartLink HD Receiver Control Box

Flybridge:

- 1 x IC Realtime ICIPD 1300 VIR Camera
- 8 x James Loudspeaker 8" Flush Mounted Ceiling Speaker
- 1 x James Loudspeakers 12" Passive Subwoofer
- 2 x James Loudspeaker 10" Custom Subwoofer
- 1 x Access Network Wireless Access Point (WAP) 1 x IPAD Remote Control

Engine Room:

- 2 x IC Realtime ICIPD1300VIR Cameras Distribution Audio Rack: (Located Below Pilothouse)
- 2 x Audio Control Directors D4400
- 4 x James Loudspeakers 1000Watt Amplifiers 1 x Sirius Radio Receiver
- 1 x Savant 16 Channel Stereo Pre Amp
- 2 x Savant 7.1 Surround Sound and Audio Processor
- 2 x Apple TV
- 1 x Blu-ray DVD Player
- 4 x DirecTV Receivers Latin America 4 x DirecTV Receivers USA
- 1 x Kaleidescape IU Server
- 3 x Kaleidescape M300 Movie Players (300 title movie and 5000 music library).
- 1 x Kaleidescape M700 Movie Vault
- 4 x Savant Digital Video Input Modules
- 1 x Savant SmartLink 2 Port Video Output Module
- 2 x Savant SmartLink 4 Port Video Output Module 1 x A/V rack Interconnect
- 1 x Panamax Power Conditioner
- 2 x Panamax UPS and Power Conditioner
- 2 x Sanus A/V rack 27 Rack Units

- 1 x Savant Redundant Pro Hosts Solid State Drives
- 1 x Savant Smart Control 8
- 1 x Savant Matrix Switcher
- 1 x Access Networks Foundation G Network (Router,48 Port Gigabit Switch,Controller 7 WAPS)
- 1 x IC Realtime 8 Channel 1000 GB Hard Drive Camera DVR

Distribution Audio Rack: (Located Below Pilothouse)

- 2 x Audio Control Directors D4400
- 4 x James Loudspeakers 1000Watt Amplifiers
- 1 x Sirius Radio Receiver
- 1 x Savant 16 Channel Stereo Pre Amp
- 2 x Savant 7.1 Surround Sound and Audio Processor
- 2 x Apple TV
- 1 x Blu-ray DVD Player
- 4 x DirecTV Receivers Latin America 4 x DirecTV Receivers USA
- 1 x Kaleidescape IU Server
- 3 x Kaleidescape M300 Movie Players (300 title movie and 5000 music library)
- 1 x Kaleidescape M700 Movie Vault
- 4 x Savant Digital Video Input Modules
- 1 x Savant SmartLink 2 Port Video Output Module
- 2 x Savant SmartLink 4 Port Video Output Module 1 x A/V rack Interconnect
- 1 x Panamax Power Conditioner
- 2 x Panamax UPS and Power Conditioner 2 x Sanus A/V rack 27 Rack Units
- 1 x Savant Redundant Pro Hosts Solid State Drives 1 x Savant Smart Control 8
- 1 x Savant Matrix Switcher
- 1 x Access Networks Foundation G Network (Router, 48 Port Gigabit Switch,Controller 7 WAPS)
- 1 x IC Realtime 8 Channel 1000G B Hard Drive Camera DVR

Day Head /Media Room Ensuite

- Sink cabinet with mirror
- Tecma toilet
- Shower with rain shower and body sprayers
- Access door to media room

Sun Deck, Flybridge and Helm

- New Sun Roofs 2018
- The wide flybridge is accessible through the internal staircase in the wheelhouse and the external staircase in the aft cockpit
- Windscreen in Plexiglas and stainless steel
- Pilot settee with three seat bench, in fiberglass with cushions and stainless steel footrest, placed on bow portside, helm with steering station and navigation equipment
- Three seat sofa with stainless steel footrest, cushions and storage, placed on bow starboard side
- Teak table on starboard side
- Bar furniture in fiberglass on portside, with sink, fridge, ice maker, two doors for storage, custom bar top in Calacatta marble
- Storage cabinet in fiberglass on starboard side
- C-shaped dining sofa in fiberglass on starboard side, with cushions and storage
- Fixed teak table for 10 people with two stainless steel bases on starboard side
- Three Italian chaise loungers
- Custom sumptuous Paola Lenti fabrics on exterior seating
- Jacuzzi tub with teak step
- Outdoor shower
- Sunbathing area on starboard side next to the Jacuzzi with cushions and storage underneath
- Fiberglass arch with navigation lights, antennas, Marco PW3 horn
- Two integrated hardtops with electrical sliding Bimini placed on bow and on aft of arch
- Stainless steel handrails around aft area of the flybridge and around the staircase to the cockpit
- Two x 16-person Zodiac life rafts (NEW IN 2015)
- Non skid flooring surface with sophisticated custom Chilewich flooring
- Covers for flybridge console, teak tables, sofas and sunbathing cushions

Pilothouse

- Helm chair
- Four seat L -shaped sofa on aft portside with coffee table and stainless foot rest
- Area for maps
- Cabinet with flags rack on portside
- Staircase to access to fly bridge
- All furniture in cherry wood
- Ceilings finished in cherry wood and leather
- All bulkheads finished in cherry wood and leather
- Sofa in leather

- Wheelhouse console in leather with aluminum panels
- Floor in solid doussiè wood

Flybridge and Pilothouse Navigation Equipment

- 4 x Navionics Platinum Electronic Charts
- 1 x GOST NavTracker Complete System 17" Monitors 2 x ACR RCL300 HID Spotlight
- 1 x Seaview Mount for FLIR 1 x ACR 2714 SART
- 2 x Shakespeare 23' Galaxy SSB Antennas
- 1 x Wave Wi-Fi Rogue Pro Ethernet Converter 2 x Maretron NMEA2K Gateway
- 1 x Eagle Aspen Multi Switch 1 x Eagle Aspen Power Supply
- 1 x Simrad NEP2 Network Expansion Port 1 x 40 Watt Exterior Marine Speaker
- 2 x Hatteland 17" Series X Monitors
- 1 x FLIR M625L Dual Payload Thermal Imaging Camera System 1 x SIMRAD NSO evo2 Package with Dual 19" Monitors
- 1 x Simrad NSS9 evo2 Multi-Function Display
- 1 x Simrad NSS16 evo2 Multi-Function Display with Built in Sonar Hub 1 x Simrad 10kW Radar Gearbox with 6' Antenna
- 1 x Simrad Broadband 4G Radar Antenna Kit 1 x Simrad Sonar Hub Sounder Module
- 1 x Simrad Bronze Transducer 1 x AIRMAR Chirp Transducer
- 1 x Simrad AP70 Auto Pilot System 2 x Simrad Quick Stick Controller
- 1 x Simrad Network AIS Class B Transponder 1 x Simrad HS70 satellite GPS Compass
- 1 x Simrad RS90 VHF Radio System 1 x Simrad RS35 VHF Radio System 1 x Shakespeare VHF Antenna
- 1 x Shakespeare 4" Galaxy VHF AIS Antenna 1 x Simrad Sirius Weather Module Kit

Bow

- Chain storage with drainage
- Two 160Kg Posidonia anchors in polished stainless steel 100m steel chains (16mm of diameter) New 2015
- Built in stainless steel bow protections
- Two 4000W, 220V, anchor winches on bow with remote control Four large mooring cleats
- Chain washing
- Wide sunbathing sofa on forward part of superstructure with crew escape hatch under sunbathing pad

- Cover for the sun bathing sofa
- Plug for hose to wash main deck
- Three electric wipers for forward windows
- Black mesh cover for windscreen
- Crew escape hatch under sunbathing pad Upper sun pad with handrails
- Teak sole - New 2018

Side Decks

- One 'AZIMUT' logo placed on each side of aft superstructure
- Teak decks
- Teak cap rail with stainless steel U-shaped handrails on bulwark
- Two recessed areas on superstructure for boat hooks storage, one each side
- Two fuel fill points on each aft side of the superstructure
- Fire extinguisher hose and water outlet on both bow sides of the superstructure
- Watertight LED lights placed on the ceiling and courtesy LED lights
- Frameless windows with mirrored tempered glass
- Three doors on side of superstructure for access to engine room, main deck corridor and galley Two life rings with MOB device
- Drainage holes

Aft Decks

- Teak sole
- Molded staircase to the flybridge, with teak step, handrails and courtesy lights
- Fixed teak table for 8 people with 2 stainless steel bases
- Stainless steel handrails all around the sofa. Control panel in the handrail on starboard side with controls for the gangway, transom door and the launching/recovering system for the Sea Doo jet ski
- Two storage lockers on both sides of the cockpit sofa
- Six teak chairs
- Fiberglass cabinet on starboard side of the cockpit with sink and storage
- Fire extinguisher system controls in a storage locker on starboard side. Superstructure equipped with: one fire extinguisher hose, controls for the fire extinguisher system of the engine room, emergency stops for the engine room air intakes and fuel pump
- Two side boarding gates
- Two stainless steel gates for access to the aft cockpit
- Watertight LED lights on the ceiling
- Covers for the table and the sofa
- Two 2200W, 220V, mooring winches in aft cockpit with four large cleats
- Drainage holes

- Large tinted sliding aft deck door
- Flush mounted external TV above wet bar
- Two security cameras mounted on overhead

Master Stateroom

- King bed with custom innerspring mattress, bedspreads and pillows
- Fine Egyptian cotton linens and towels - Extra sets
- Storage underneath the bed
- Two nightstands
- Reading lights on the nightstands
- Indirect lighting on ceiling
- Indirect lighting behind the panel on the bulkhead behind the bed
- Panoramic windows on both sides of the cabin
- Two armchairs with table on port side
- Drawers and vanity with stool on starboard side
- Minibar (45 liters)
- Remote controlled electric blinds integrated into the media system
- Planar 55" Ultra Slim LED Television/Display

Master Ensuite Head and Dressing Room

- Large walk in wardrobe located on starboard side of the master stateroom with lights, drawers, shelves, hanging bars and safe
- Additional closet on port side, aft of seating
- Master head with large shower in the center complete with rain shower and body sprayers, access from starboard aft side
- Tecma toilet system
- Bidet
- Wash basin
- Cabinets and mirror with lights
- Air extractor
- Oval porthole
- Spotlights
- Remote controlled electric blinds integrated into the media system

VIP Stateroom

- Double bed with custom innerspring mattress, bedspread and pillows
- Fine Egyptian cotton linens and towels - Extra sets
- Storage underneath the bed

- Planar 32" Ultra Slim LED Television/Display
- Two nightstands
- Reading lights on the nightstands
- Indirect lighting on ceiling
- Indirect lighting behind the panel on the bulkhead behind the bed
- Two round portholes on hull side
- Wardrobes with hanging bar, light and shelves
- Remote controlled electric blinds - integrated into the media system

VIP Ensuite Head

- Tecma toilet system
- Wash basin
- Cabinets and mirror
- Shower with rain shower and body sprayers
- Opening porthole
- Remote controlled electric blinds integrated into the media system

Twin Berth Staterooms with Pullman Berths

- Twins berths with custom innerspring mattress, bedspreads and pillows
- Fine Egyptian cotton linens and towels
- One nightstand
- Reading light on the nightstand
- Indirect lighting on ceiling
- Indirect lighting behind the panel on the bulkhead behind the beds
- One large opening porthole
- Wardrobe with hanging bar, light and drawers
- Drawers under the outboard bed and big storage under the inboard bed
- Remote controlled electric blinds integrated into the media system
- Planar 32" Ultra Slim LED Television/Display

Twin Guest Ensuite Head

- PlanaTecma toilet system
- Wash basin
- Cabinets and mirror
- Shower with rain shower and body sprayers
- One large opening porthole
- Remote controlled electric blinds integrated into the media system

Crew Quarters

Crew quarters are made up as follows:

- 2 x CREW CABINS:
- Two bunk beds with foam mattresses, bedspreads and pillows
- Drawers underneath the lower bed
- LED spotlights
- Round porthole and curtains

Crew Ensuite Heads

- Tecma toilet system with sink, shower, Venetian blinds

Engine Room

- 2 x IC Realtime ICIP D1300VIR Cameras
- Distribution Audio Rack: (Located Below Pilothouse)
- 2 x Audio Control Directors D4400
- 4 x James Loudspeakers 1000Watt Amplifiers
- 1 x Sirius Radio Receiver
- 1 x Savant 16 Channel Stereo Pre Amp
- 2 x Savant 7.1 Surround Sound and Audio Processor
- 2 x Apple TV
- 1 x Blu-ray DVD Player
- 4 x DirecTV Receivers Latin America
- 4 x DirecTV Receivers USA
- 1 x Kaleidescape IU Server
- 3 x Kaleidescape M300 Movie Players (300 title movie and 5000 music library).
- 1 x Kaleidescape M700 Movie Vault
- 4 x Savant Digital Video Input Modules
- 1 x Savant SmartLink 2 Port Video Output Module
- 2 x Savant SmartLink 4 Port Video Output Module
- 1 x A/V rack Interconnect
- 1 x Panamax Power Conditioner
- 2 x Panamax UPS and Power Conditioner
- 2 x Sanus A/V rack 27 Rack Units
- 1 x Savant Redundant Pro Hosts Solid State Drives
- 1 x Savant Smart Control 8
- 1 x Savant Matrix Switcher
- 1 x Access Networks Foundation G Network (Router, 48 Port Gigabit Switch, Controller 7 WAPS)

- 1 x IC Realtime 8 Channel 1000 GB Hard Drive Camera DVR

Engines and Mechanical

- MAIN ENGINES: MTU 16V 2000 M92 2200 HP. Diesel engine sixteen V cylinders. Single piston displacement: 2.23 lt. stroke 156 mm, bore: 135 mm. Max. power: 1630 kW at 2450 rpm. Hours Port 3376 Starboard 3340
- meter on engines. MTU Smart Line electronics
- REVERSING REDUCTION GROUPS ZF 3060 V, reduction rate 3:1
- GEARBOX CONFIGURATION V drive with universal joint
- SHAFTS Marinox 17 steel, diam. 110 mm, supported by brass stands and stern tubes. Tides shaft seals - New 2015
- PROPELLERS four blade Veem props and painted with prop speed
- RUDDERS: AISI 316 steel with 0,40 sqm of surface to ensure easy maneuvers. Rudder holes and pole of the rudders in Marinox 17. Bar and yoke in carbon steel.
- TRIM TABS: AISI 316 steel, each one 650 mm wide
- BOW THRUSTER: Hydraulic system, 23.8kW (32Hp) Bow thruster tube screen
- New ABT TRAC Zero speed stabilization at anchor with the largest fins that can be fitted to a 105.
- 22 x all new HVAC air handlers and two new chillers - 7.5 ton x2 chillers
- 2 x new Sea Recovery Aquamatic 1400 compact water makers producing 58 gal / 221lit an hour or 1400 gal / 5,300 lit per day
- UV sterilizers
- Yacht Controller - Remote

Electrical System

- 2 x Kohler 65KW generators.
- Current hours: Port 5238 / Starboard: 5293. Located in engine room, with hour meter, mounted on silent blocks
- Sound shield box, control panel and 12V d.c. starterP - New 2018
- 110v electrical system 160 HTZ 3 Phase
- 8 x LED Ocean LED HD GEN2 underwater light: 4 on aft, 2 on aft sides (one each side), 2 underneath the master windows (one each side)
- Under water camera

Batteries

- Group of 24V gel batteries of 220Ah., for emergency (emergency lights navigation lights fire extinguisher system VHF bilge and fire extinguisher system alarms Intercom)

- Group of 24V gel batteries 840Ah, for service - New 2018
- Two groups of 24V 2 x 240Ah, for main engines starter
- Group of 24V of 140Ah., for MTU electronics
- Two groups of 12V 2 x 135Ah, for generator's starter
- Under water camera.

Battery Chargers

- 25A automatic Mastervolt battery charger for emergency batteries - New 2018
- 100A automatic Mastervolt battery charger for service batteries - New 2018
- 25A automatic Mastervolt battery charger for engines starter batteries and, in emergency, for the service batteries - New 2018
- 25A automatic Mastervolt battery charger for MTU electronics batteries - New 2018
- 25A automatic Mastervolt battery charger for generators batteries
- Main engines alternators are charging the main engines starter batteries emergency switching allowed control
- Genset alternators are charging the generator starter batteries

Shore Power

- One 125 A, shore power inlet with transformer V/220V each side - port and starboard
- Alternating current power sources run to the main electrical panel in engine room provided with voltmeter and frequency meter for 220V power grid. Power sources are protected by calibrated fuses and their connection with the line is accomplished by remote control switches. There is a double bar system that spreads current to all users. Each user is singly protected by magneto/thermal switches
- Two Glendenning cable master shore cables port and starboard

Tender and Garage

Technical area on starboard side of the garage with the following equipment:

- Local air extractor
- Control panel for the garage door, passerelle and compressor for the garage door gasket
- New hydraulic hoses 2018
- CO2 fire extinguisher bottles
- Garage air extractor
- Bilge pump for the garage

- Gasoline fume detection for safety
- Technical area on port side of the garage with the following equipment:
- Local air extractor
- Transformer and electric panel for the shore power
- Hydraulic unit for the wheelhouse
- Two pop up cleats on the open swim platform -Flat top
- Built in Miele commercial washer and commercial dryer to port
- Mounted Snap On tool box with tools
- Swim ladder
- Custom shower
- Custom Sea Doo GTX Limited IS260 Jetski 2015
- 5 x Sea Bobs
- Professional dive equipment for 12 guests
- Portable infrared BBQ
- Stand up paddle boards

Transom

- Garage door becomes a wide swim platform when open. Teak floor on the swim platform both in open and closed positions. Electrohydraulic mechanism for the movement of the garage door, with emergency manual pump and pneumatic gasket
- Structural staircase in fiberglass with teak steps on port and starboard sides of the garage door for the access to the swim platform. Stainless steel handrail on internal side of each staircase
- Electro hydraulic passerelle with teak grating and stainless steel frame extending out from the highest step of the starboard staircase to swim platform
- Manual swim ladder in stainless steel and teak - New 2018
- Shore power connection, shore connections port and starboard
- Water intake, shower and fresh water hose outlet on transom, inside a fiberglass storage
- Dock connections for black water discharge placed in the garage
- Stainless steel name and port of registry on transom

Details of the Hull

- Structural staircase in fiberglass with teak steps on port and starboard sides of the garage door for the access to the swim platform. Stainless steel handrail on internal side of each staircase
- Electro hydraulic passerelle with teak grating and stainless steel frame extending out from the highest step of the starboard staircase to swim platform
- Manual swim ladder in stainless steel and teak

- Shore power connection, TV and phone shore connections placed in fiberglass storage on aft side
- Water intake, shower and fresh water hose outlet on transom, inside a fiberglass storage
- Dock connections for black and grey water discharge placed in the garage
- Stainless steel name and port of registry on transom
- The structural project of the hull has been carried out according to R.I.N.A. standards.
- VINYLESTER RESIN is used for the first coats of the hand laid-up lamination below the water line. This kind of resin is extremely effective in preventing osmosis, thanks to its chemical and physical characteristics.
- Worldwide acknowledged quality isophthalic resin is used for all the stages of the hand laid-up lamination process.
- High quality PVC is used for main deck and superstructure lamination.
- Engine room and collision bulkhead are laminated. All other internal bulkheads are built with advanced composite materials.
- Keel is deep V type
- The particular shape of the aft swim platform and transom have been designed to integrate a garage which is capable of storing a tender and a jet ski. (Tender, jet ski and remote control launching systems for jet ski). The door of the garage on the transom is operable hydraulically, converting into a wide swim platform, provided with teak surface. An expanding gasket connected to a compressor placed in the garage guarantees the watertight safety when the aft transom door is closed.
- 8 x Ocean LED HD GEN2 underwater lights: 4 on aft, 2 on sides on aft (one each side), 2 underneath the master windows (one each side)

Exclusions

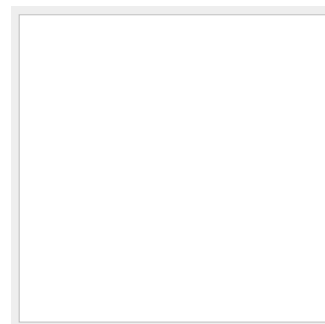

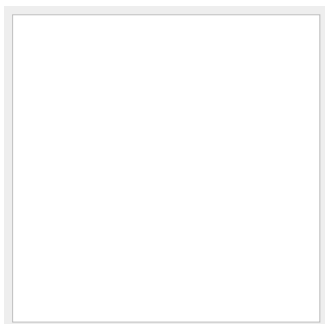

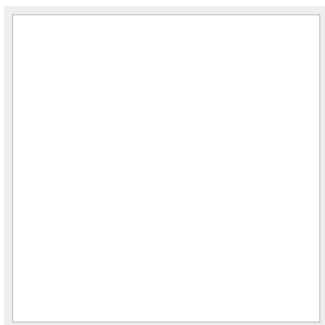

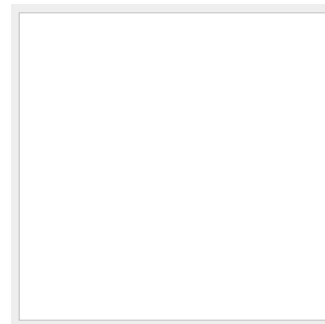

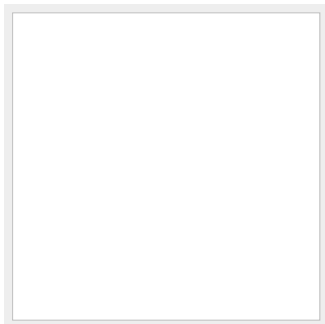

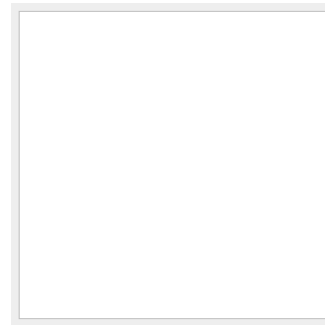

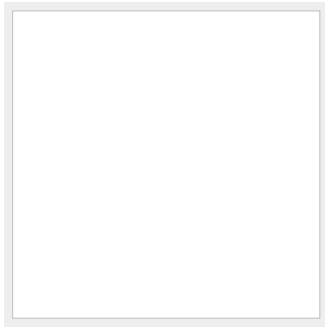

Owner's personal belongings.
