## Overview

---

This is a rare 2008 Tiara 3500 Sovran. Her engines were replaced in 2012 under Volvo Manufacturers Warranty. This boat was sold and serviced by Galati Yachts Sales since new. New windlass added May 2019, Starboard Pod Seal Replaced May 2019.

### Vessel Walk Through or Overview:

With her distinctive lines, spacious layout, and standard IPS drives, the Tiara 3500 Sovran provides uncommon luxury and comfort for the cruising couple. Hardtop cruisers like the Sovran have grown in popularity in the past several years thanks to their weather-protected—often climate-controlled—helms and sociable deck layouts.

With the 3500 Sovran, a wide 12'11" beam adds another appealing feature: space, and lots of it. Indeed, the cockpit and helm deck—with combined seating for ten—are larger and more comfortable than any boat in her class.

Below, the Sovran's cabin is unusually large for a boat this size. Because pod drives require less engine room space than conventional inboards, the interior of the 3500 has been expanded aft to include a mid-cabin media room complete with facing lounge seats (convertible to a berth) and a wall-mounted 26" TV.

The port side head has a separate stall shower, and the interior is finished with high-gloss woodwork, premium galley appliances, and an elegant hardwood sole. The cockpit sole lifts electrically for access to the engine compartment.

Conveniently located in St. Petersburg, FL. Call today to schedule a showing!
