SPECIFICATIONS

Overview

COAL BLOODED was delivered to her first owner in 2014 with approximately 100 hours on M92 Common Rail MTU engines and Arneson Drive #16's. She then went into the yard for a refit that included the hull paint in silver metallic, new electronics, all new Caroline Dunlap interior with espresso wood finish, marble counters, and hardwood flooring. The air conditioning on the main deck level was increased by 16k BTU for a truly tropical system. With approximately 814 hours, one captain, and excellent maintenance COAL BLOODED is the best 80' Mangusta available worldwide.

DETAILED INFORMATION

Overview

*Preliminary listing, additional details coming soon! COAL BLOODED was delivered to her first owner in 2014 with approximately 100 hours on M92 Common Rail MTU engines and Arneson Drive #16's. She then went into the yard for a refit that included the hull paint in silver metallic, new electronics, all new Caroline Dunlap interior with espresso wood finish, marble counters, and hardwood flooring. The air conditioning on the main deck level was increased by 16k BTU for a truly tropical system. With approximately 814 hours, one captain, and excellent maintenance COAL BLOODED is the best 80' Mangusta available worldwide. Key Features • M92 16V2000CR MTU engines with 814 hours • Arneson #15 drives with all current services/hoses 2018 • All new interior by Caroline Dunlap in 2014 • All new teak decks in 2017 • All new electronics 2014

Walkthrough

Entering from the stern passarelle you arrive on the aft sundeck with port and starboard sunpad areas. The teak decks on this level were replaced in 2017 and the caulking is dove grey. Moving forward there is a soft enclosed large main level salon with port and starboard settees, bar with refrigeration and icemaker to port, and a concealed television that faces aft. Further forward is the helm to starboard with full electronics compliment including bow/stern thrusters, and MTU engine monitor. There is bench seating for five or six people. From just behind the helm seating area you enter the cabin down through a central stairway. To starboard is the open galley with bar and main salon with large settees and tables to port and starboard. All the way forward is the master with head to starboard and closet to port. The queen berth faces aft. Moving aft of the main salon to port is a single berth stateroom with head and further aft is a queen berth stateroom to starboard and twin berth stateroom to port, both with en suite heads and showers. On the main deck forward is a large sunpad with cabana style top that secures neatly by the headrest.

Exclusions

Owner's personal belongings.
