DETAILED INFORMATION

Vessel Walk Through

As you step onto the boat through the Port side entry door you will notice ample space for fishing and/or pleasure boating. The fully retractable stern jump seat can be folded out of the way to allow for even more room. Behind the stern jump seat you will notice a highly insulated 45 gallon fish box, as well as two 60 gallon pressurized live wells. As you walk forward you will notice a fully equipped bait prep station with fresh and raw water sink. It is also here that you will locate the convenient ladder that leads to a fully functional second station complete with comfortable seating for 3 adults, a Garmin 7608 GPS/chart plotter, another Yamaha Helm Master joystick and a stereo remote. As you come down from the second station and Continue forward you will find a retractable sleigh seat that is extremely comfortable and allows for easy access to an enormous yeti cooler that is set on a convenient slide. Approaching the helm you will notice 3 comfortable captains chairs with fold down bolsters, a foot step and an anti fatigue mat for comfort. At the helm you will find a very stylish and ergonomically correct array of state of the art electronics and controls. At the helm you will also notice a patented fully retractable windshield. Continuing forward you will find a Port side cabin door that leads to a spacious cabin complete with wrap around seating that lays flat into a Queen size berth with the push of a button, a 20 inch flat screen TV, a fresh water sink with water heater, a microwave oven, a stainless refrigerator and a china bowl head with macerator and holding tank. Upon exiting the cabin and moving forward you will find an enormous chaise lounge for 3 to 4 adults. There is also an enormous coffin box type storage area underneath. At the bow of this amazing vessel is comfortable wrap around seating with a table that lowers to make a complete sun pad with the push of a button.

Construction

- Unsinkable
- Lifetime hull warranty and 5 year component warranty
- Variable dead rise deep v-hull
- Patented closed molded RAMCAP® construction process
- NMMA Certified
- Self-bailing cockpit
- No wood construction
