## Overview

---

The Regal Velocity was the beginning of the high performance line of Velocity Boats. The Last Regal 23 Velocity was built in 1989. After which Velocity became its own brand. This boat has been lightly used and always stored on the hard. The engine was torn down and rebuilt with many high performance upgrades giving it a 425 horse power racing engine. The Bravo drive has the "bullet" modification for less drag as well as a cooling system. She also has custom racing bolster seating. Inside the boat has a V-berth with a Porta Potti.
