DETAILED INFORMATION

Overview

The Monterey 320 Sport Yacht (called the 335 SY beginning in 2015) is a roomy sterndrive cruiser with a balanced blend of comfort and performance. Monterey's are generally good values compared with the competition—construction is first-rate, the styling is cutting edge, and the list of standard equipment is impressive. The somewhat generic layout of the 320/335 SY includes a roomy cockpit with wraparound lounge seating and a convertible aft sun pad. A walk-thru windshield provides easy access to the foredeck with its removable sun pad and standard anchor windlass. Below deck, the Monterey's well-appointed interior with Ultraleather upholstery has sleeping arrangements for six including a double berth forward, convertible dinette, and an aft seating area that converts to a double berth. Additional features include synthetic wood cabin flooring, entertainment center with 22" flat screen TV, generator, mahogany interior cabinetry, cockpit wet bar, transom shower, and a cockpit table. A fiberglass hardtop is optional. Twin 300hp MerCruisers cruise at 26–28 knots (40+ wide open).
