New Genoa - 2018

New

Updated Heat Exchanger - 2013  
2018

New Overhead Cockpit Speakers -

New Bottom Paint - 2018

The Hunter 33 may be the perfect boat for couples and families who want to weekend and take extended vacations in a very affordable package. This Glenn Henderson design is perhaps the perfect melding of stability, performance, comfort and contemporary styling. The wide hull carries the beam aft, keeping it stable while providing the space to make it roomy and comfortable with lots of storage space below decks and topsides. The hull minimizes drag allowing the boat to slip through the water effortlessly. The 4' 6" deep Wing lead bulb keel gets the maximum amount of weight down to keep the boat on its feet in a big breeze. The B & R Fractional Rig with On Mast furling Main and a 110% furling Genoa makes for efficient sail handling and exceptional performance. A Harken Traveler mounted on Hunter's S/S arch, with control lines within easy reach of the helm aid in Mainsail handling. The optional Helm sheeting winches are within easy reach of the helm, perfect for short handed sailing. Down below, The "U" shaped galley is loaded with conveniences. It features large refrigeration, separate freezer, propane stove/oven and a microwave; complete the cooking facility for even the "Gourmet Galley Chef." All the expected cabinets & drawers are included, and the ample counter space features a Corian top. Your guests or children will enjoy the spacious V-berth. A week's worth of clothing for two can easily fit in the hanging locker, shelves and cabinet, all constructed of beautifully finished teak. The locker is even cedar-lined. The massive deck hatch keeps it bright and airy during the day. Again the wide beam provides plenty of space. The two-panel windshield, deck hatch, four fixed ports and two opening ports create an open, airy feeling. The dinette seats five and easily converts to a berth when needed. Outboard storage is everywhere. The opening Nav table provides space for a chartbook and is loaded with storage underneath. The settee is ready as a 5th berth.

# DETAILED INFORMATION

---

## Features

---

**Sail Area** IJPE : 437.00 sq ft I : 37.33 ft J : 10.83 ft P : 36.50 ft E : 13.83 ft Working Sail Area : 625.00 sq ft **Keel Details** Wing Keel **Manufacturer Provided Description** The underbody of the 33 mirrors Henderson's other Hunter designs in the recent 41 and 44-foot models. Bringing the beam well aft to provide interior space, but not sacrificing performance has worked extremely well in his innovative designs. The deck is wide and workable without intrusions. The cockpit can hold a crowd under sail or at the dock, but is also set up to sail easily single handedly. Accommodations include a large, aft master stateroom with plenty of storage and headroom. The galley is complete with Corian® counters, a two-burner range, icebox and a deep, single basin stainless steel sink. Entertaining or fortifying the crew is easy in a massive salon and guests will appreciate the privacy of the forward v-berth stateroom. **Additional Description**
