SPECIFICATIONS

Overview

Every once in a while we get to list boats that are exceptionally thought out and executed. So, if you are looking for the ideal cruising boat with the right gear, loads of storage, excellent creature comforts, economical operation and excellent condition look no further. Whether you want to coastal cruise, enjoy the Bahamas or Caribbean or do the "great loop" you will find it hard to find a better match. "Scott Free" offers three full queen cabins, two heads and a very comfortable salon and cockpit. She is powered by economical 240hp Yanmar diesel engines and boasts a Northern Lights generator. Highlights include an inverter, large house battery bank, solar panels, watermaker, stacked washer and dryer, full air conditioning with reverse cycle heat for the interior and an air conditioned cockpit. Best of all she offers huge amounts of true storage space. Endeavour has a long history of building very good, strong and sturdy catamarans.

Basic Information

Manufacturer: Yanmar

Model: 4LHA-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Features

Accommodations Entry to the salon is through a hinged door with a sliding overhead hatch on the center line in the cockpit. A large L-shaped leather settee is forward to starboard. Two leather topped hassocks with storage are also provided. A large fold out dual pedestal table with additional leaves creates ample space for dining eight persons in comfort. To port is a bench style leather settee. Forward of this bench is a counter with a single drawer. Aft of the starboard settee is an end cabinet with storage. The entertainment center is located in the port aft bulkhead and includes a flat screen television, satellite dish box, stereo system and a DVD player. On the starboard aft bulkhead is the master electrical panel and other ship's system controls. Forward of the salon is the master stateroom with a walk-around queen berth. There is huge storage under the berth. Down three steps into the starboard hull is the en-suite bath with a full shower. Aft of these stairs is a room with storage lockers and a stacked washer and dryer. The galley is located in the port walk-through with a direct view and connection with the salon so the chef is always part of the festivities. Galley includes a propane stove with oven, double stainless steel sinks and a refrigerator and freezer. Forward is the day head with a marine toilet and sink. Forward is an additional storage cabin with a chest freezer. The aft cabins both offer queen berths with storage cabinets. All interior joinery is cherry with solid trim. All cabin soles are high density faux teak and holly composite. Headliners are vinyl over ply for easy access above. **Salon**
