Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Engine Information

Engines: 2

Manufacturer: MAN

Model: V12 Common Rail

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Flybridge

A flybridge on a sports boat is a breakthrough and a revolutionary concept. A sport-fly of 72 feet is an innovation that gives rise to a new class of models and creates a milestone in the evolution of the S Collection, already defined by the opening hardtop and by new style concepts such as the square hull windows. The flybridge includes a chaise lounge area in the bow section, a cocktail/dining area and a futuristic sun bathing area.

Aft Deck Highlights

Innovation and Comfort! These are fused in the cockpit to offer guests unforgettable experiences: the C-shaped sofa with lateral sections that create a chaise lounge effect merges with a central section to form a large sun-deck area. The center area can be transformed into a table and together with the sofa, creates a comfortable dining area. Furniture and service equipment such as the mini-bar and the barbecue are hidden from sight, perfectly enveloped by the structure's volumes. This avoids creating barriers between the interior and the exterior, when the salon door is completely open.

Accommodations

The abundance of light inside the main salon is dominated by the crystal hardtop, which showcases perfect harmony between comfort and sportiness that is the result of a combination of clean lines, functional layout and the use of materials of unusual beauty. The salon is furnished with natural wood tones and creates novel contrasts with lightcolored lacquers. The leather upholstery contrasts with the cognac-colored of side panels and the light buffalo-effect leather on the horizontal surfaces. The horizon is visible from any point in the salon, framed by the lines of the distinctive Azimut windows.

Master Stateroom

Master Stateroom in PLUTUS is full-beam and full-height. It offers sea views through the six square windows that cast light onto the dinette with a vanity area. The suite is dominated by contrasts between light and dark colours used for the furnishings and leather. Pearly hues distinguish the cushions and other furnishings.

Disclaimer (PLEASE READ)

Vessel just got out of the yard from a \$700K refit and repair. Please contact Listing Agent for more information, material damage disclosure and seller's post-yard survey.

Exclusions

Owner's personal belongings.
