SPECIFICATIONS

Overview

A gorgeously stunning Italian-built yacht with an extensive refit and updating in 2019. She's fast, spacious and features a oversized flybridge that is not typically found on a 64 foot yacht. Being currently owned by a knowledgeable yachtsman she is well cared for...which shows.

Aicon Yachts have a reputation for quality and are built for blue water navigation. This is not just a sexy Euro-style yacht, these vessels are designed to withstand the rigors of open ocean cruising, evidence by her RINA Class A construction (highest certification for pleasure/recreational class yachts). Easy to maneuver and dock using her bow and stern thruster with remote.
