SPECIFICATIONS

Overview

PRELIMINARY LISTING!

Offered for sale for the first time, this outstanding vessel is being used by her original owner. Cape Horn trawler, hull # 7, built by The Cape Horn Trawler Corp. in Meteghan River, Nova Scotia, continues the emphasis on safety, redundancies, quality, low maintenance, and luxury liveaboard cruising.

Additional information and photos coming soon.

Accommodations

Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Steel

Engine Information

Engines: 1

Manufacturer: Volvo Penta

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

Full walkaround model with entry from either side of pilothouse, or into the salon from starboard side or through the Dutch door from the aft deck. Forward of the salon is the galley. Up three stairs to starboard is the pilothouse. Down from the galley is the companionway leading to the office to starboard, day/guest head, and forward to VIP suite. On the port side is an additional guest cabin. The master stateroom and head are aft. The utility and engine rooms are abaft the master stateroom and can be entered either from the master stateroom, a staircase at the aft end of salon, or from the aft deck hatch. While one expects the safety features of a Cape Horn Trawler, this ship substantiates its standing as an exquisite luxury yacht. Throughout the yacht the light maple interior with the trademark inlaid banding, large panoramic windows and customized lighting enhance the brightness. Luxury and function coordinate in all areas. M/Y Integrity exemplifies what live-aboard cruising should be: comfort, amenities, refinery, and confidence in the yacht's safety and sea keeping ability anywhere in the world.

Exclusions

Owner's personal belongings.
