SPECIFICATIONS

Overview

“Wineaux” is a beautiful 72-foot Ocean Alexander Pilot House Motor Yacht. She has the traditional motor yacht lines combined contemporary styling. “Wineaux” exemplifies this with her long extended overhead bridge deck and curved lines. Side decks allow safe transitions from stem to stern. Inside, she has a raised pilothouse with a clear view from helm to stern. A private, and full beam master has a private entrance from the salon. Forward is another entrance leading to two guest suites with en-suite head and showers.

Notes From The Seller:

Our experience with 72’ OA “Wineaux”

- Cruising speed of 18 knots at 70% Engine load – burns 38gph each.
- 10 knots at 1050 rpm – burning 5 to 6 gph each
- At 10 knots the boat has a solid 1000 nm range
- Boat loves beam and following seas, stabilizers work magic.
- We run 75% sensitivity to smooth the ride.
- At 100% it is very cocktail friendly!
- In head seas it is a battleship. No shakes, creaks or moans.
- Her build quality shines through every day in low maintenance.
- The AC enclosed bridge is the perfect driving station.

Reason for change – we absolutely loved Wineaux as our family retreat and vacation headquarters but decided to spend the next four years fishing while our last son is still at home.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2013

Year Built: 2013

Country: United States
