DETAILED INFORMATION

Overview

Beautiful lines on this 67 CMY. Approaching the boat you notice the swim platform with transom door to cockpit which allows safe easy access onboard. Once in the spacious 8' long cockpit you have large stairs that take you to the partially enclosed aft deck with outdoor style seating, wing doors, side windows and aft wet bar. Large walkways will take you forward or you can enter the expansive 23' by 12' Salon.

Once inside you can take in the 360 degree view from large windows or enjoy privacy by closing the wooden blinds. She is tastefully decorated with beautiful classic warm wood interior, wicker furniture and custom coffee table with end table. The headliner is in like new condition and there is track lighting and built in speakers. Heading forward there is a wooden desk, large flat screen TV and built in storage. Further forward you have full lower helm with side doors, custom helm and companion seat. Port side stairs take you to the comfortable bridge and starboard stairs take you to the remodeled and updated galley.

Forward of the galley is the bow stateroom which offers everything you'd expect and more. Here are upper and lower full-length berths to starboard, and to port a full-hanging locker behind a full-length mirror. Additional drawer space has been provided under each berth and a built in dresser. Aft and midship you have a stateroom equipped with twin berths separated by a nightstand, and includes its own full-hanging locker with full-length mirror. The guest head, also with a stall shower, is located immediately across the companionway, adjacent to the laundry center.

Further aft you have the master stateroom with queen sized bed with handcrafted dressers, drawered nightstands and cedar lined wardrobe. Starboard side offers an en-suite head with a full-size whirlpool bath with shower and luxurious molded marble countertop and basin.
