SPECIFICATIONS

Overview

This 2016 41 Back Cove is a flawless vessel beautifully maintained by one of our professional maintenance captains. Reflecting her name, "Serenita", which means "a feeling of calm and peace", she features all the comforts of home along with the classic cruising of the down east style boats for a fraction of the price. The single engine Cummins QSM 11 is plenty of speed and power (23knts at 2100 rpm). The bow and stern thruster make docking effortless. She is extremely well equipped for a vessel of her size and is a must see. Set up a viewing soon, she won't last long.

- Thruster blades were just treated with prop speed paint.
- Bottom paint was just completed.
- Boat entirely waxed May 2019
