SPECIFICATIONS

Overview

Built by Westport in 2004, the 42m luxury motor yacht Forty Love recently underwent an extensive over 1 million euros refit, meaning that the yacht shows now in turn-key condition. She is the largest sport fisher built to date. The layout has been conceived in order to maximize the deck space, giving easy access to all five decks and boasting a multitude of outdoor leisure spaces (i.e. the huge open aft area and the spacious sun deck). The wide windows in the saloon and in the main dining area offer striking 360° views on beautiful surroundings, allowing to take advantage of amazing panoramas. Twelve guests can be accommodated in the 5 (optionally 6) light and airy cabins. A huge beach-style swim platform stepping down into the water adds interior volume, providing extra space for fuel tanks, storage freezer and garbage lockers which give the yacht two months' autonomy. All the stairs in the yacht are dog-friendly, due to the owner's passion for Labradors, a dog breed known for its affinity with water. The navigation equipment is of the latest technology and quality with vital items being duplicated to have safety back-ups. Forty Love has American Bureau of Shipping classification.
