# SPECIFICATIONS

---

## Overview

---

Silverton's unique "side-walk" design provides a full beam salon equivalent to most 45 footers in size and accommodations. The spacious flybridge will comfortably seat the entire crew (8 adults) while underway and access to the foredeck is made easy by molded-in steps on each side. The aft deck is roomy and like the flybridge is fully enclosed by a custom sunbrella and isinglass enclosure. Inside you will find 2 private staterooms and 2 heads each with a separate shower stall. The galley is modern and functional and features a cherrywood dining table with enough seating for 6 adults. The salon features an L-shaped sofa to starboard, a convertible coffee table and a nice entertainment center to port. She is powered by a pair of Fresh water cooled Crusader 8.2L MPI engines with low hours and a Kohler generator in a sound box with less than 25 hours of use. Call today and make this your own personal floating condo or coastal cruiser.
