- **AGAPE**

This is a rare custom Caliber 33. The present Owner purchased her in 1998 from the original owner a seasoned experienced Skipper, who along with George McCrerey, the Designer, made modifications at the factory during her construction. The bows spirit was removed resulting in an exceptional clean looking entry.

In the all-Wood interior, the bulkhead and folding door of the standard private state room has been eliminated and this opens up the navigation station to the main salon, giving the boat a much bigger feel with a more traditional half quarter birth lay out. A very spacious open living and entertaining area.

Custom teak drawers were built in under the Port and Starboard See-tees making access to storage under the see-tees very simple. An additional large hanging locker has also been added opposite the head in the main salon.

The Wood is in above average condition.

The Second Owner has sailed, and maintained this wonderful vessel for over 21 years and spared no expense to keep her Fit & Safe.

"AGAPE" Is a Must See if your seeking a 33' for Off-Shore Sailing & Living.
