SPECIFICATIONS

Overview

The 1998 Sealine F44 Flybridge cruiser motor yacht has a traditional aft cockpit layout and offers four- to six-berth accommodation with forward and mid cabins, plus a large saloon.

Two cabin, two head layout with v-berth island queen, large galley and spacious sunlit salon.

Recognizing the social side of cruising, the F44 combines both a functional and friendly layout.

The extended flybridge includes a commanding helm position, two seating areas, plus an extendable sunbed and a sliding hatch to the cockpit. Molded stairs lead down to the cockpit which has U-shaped seating and access to the enormous storage lazarette. The full-width bathing platform has a swim ladder, a shower, and dedicated fender storage.

DETAILED INFORMATION

VESSEL OVERVIEW

The 1998 Sealine F44 Flybridge cruiser motor yacht has a traditional aft cockpit layout and offers four- to six-berth accommodation with forward and mid cabins, plus a large saloon. Two cabin, two head layout with v-berth island queen, large galley and spacious sunlit salon. Recognizing the social side of cruising, the F44 combines both a functional and friendly layout. The extended flybridge includes a commanding helm position, two seating areas, plus an extendable sunbed and a sliding hatch to the cockpit. Molded stairs lead down to the cockpit which has U-shaped seating and access to the enormous storage lazarette. The full-width bathing platform has a swim ladder, a shower, and dedicated fender storage. The accommodations include a forward double cabin, and a double mid cabin, both with ensuite toilet and shower. The saloon has all-round seating and a large adjustable dining table, as well as provision for an entertainment center and an additional fridge. The galley provides a hob, oven / grill, large self-defrosting fridge, separate freezer, twin sinks and a microwave.

As with all Sealine motor yachts, the carefully chosen soft goods include leather and Prima Suede choices to complement the internal woodwork. The deck layout is designed for safety and ease of use when moored or underway. Stainless steel windows and portholes enhance her quality appearance.
