---

# DETAILED INFORMATION

---

## Features

---

**Accommodations** The clean, modern looking neutral colored light tan fabric interior distinguishes this vessel from so many older Carvers that have patterned outdated interiors. Carver designed the 380 Santego with a spacious single level interior that is open, bright and designed for comfort and entertaining. There is a 6'4" ceiling height, throughout the salon. A generous canvas covered cockpit has room for casual furniture (included) providing a great place to relax and entertain. There's a queen center berth forward with hanging lockers to port and starboard and built in drawers beneath. The galley to port has a sink, large double door refrigerator/freezer, microwave, 3 burner electric range top and an oven. The counter tops are Corian with and there is ample storage in drawers and cabinets. Starboard from the galley is a wet bar and additional storage. There's a large head compartment with an enclosed shower, toilet, and sink/vanity with storage above and below which can be accessed from the main salon or from a private door opening into the master stateroom. Aft is a large salon with comfortable semicircular sofas to port and starboard. The starboard sofa converts to a two person berth that can be screened for privacy. The ship's electrical distribution panel is located above starboard sofa. **Fly Bridge** A few steps up the wide built in stairs takes you to a huge fly-bridge with generous seating surrounding the helm station. Newer canvas and clear vinyl protects the fly-bridge and offers a full 360 degree visibility. The flybridge also has a unique walk-thru feature seldom found on flybridge yachts giving direct access to the bow area when docking, anchoring **Engines & Mechanical** Re-powered in 2016 January 2019: Fresh bottom paint Underwater gear reconditioned **Electronics** Garmin 740S Chartplotter GPS Raymarine Depth Gauge Raytheon VHF Raytheon Autopilot

## Exclusions

---

Owner's personal belongings.
