SPECIFICATIONS

Overview

The Silverton 392 represents a major innovation in mid-sized yachts, packing the interior space of a 60 Ft boat into a 40-footer. With 2 staterooms with 2 full heads with showers, a huge galley and salon, covered aft-deck entertainment area and much more. Utopia is the most comfortable, safest, and fastest of these boats you will find at any price.

When the Silverton 372/392 was introduced, its revolutionary "Sidewalks" staircases became the new benchmark in the industry for maximizing interior space in a midsize motor yacht. The addition of the port and starboard exterior stairways allowed Silverton to expand the interior salon area to the full beam of the boat, giving the boat the largest salon in its class. The boat became an immediate sales success and was in production for 5 years.

This low hour motor yacht is ready for new adventures with her next owner. She meets all the requirements to be treated as a second home and will make a great floating condo or a perfect coastal cruiser.

Basic Information

Category: Motor Yacht

Model Year: 1999

Year Built: 1998

Country: United States

Vessel Top: Bimini Top

Fly Bridge: Yes

Dimensions
