Overview

MAJOR \$200K PRICE REDUCTION!

Step aboard this stunning 1995 Neptunus 218/73 Motoryacht and feel like a movie star! A major 2018 remodel updated this dual station flybridge Motoryacht to modern standards of elegance.

Originally designed by Frank Mulder for Neptunus Yachts in the Netherlands. This vessel was extensively remodeled prior to filming for the movie "Gemini Man" starring Will Smith and "The Scratched 8." The film was released in October 2019.

THIS IS A 73 FOOT YACHT FOR LESS THAN 400,000. MAKE THE BUY OF A LIFETIME.

Major Overhaul by Detroit Diesel in October 2016 plus two new 2016 Kohler generators and Garmin electronics! Engines and Generators have less than 500 hrs!! Three stateroom ensuites, three heads, luxury galley, plus foredeck storage. Headroom of 6'6" for all lower deck staterooms, salon, and flybridge. The powerful twin-engine Detroit Diesels economically cruise at 16 knots running at 1600 RPMs. The bow efficiently moves water and easily handles 3+ foot waves at 4-8 second intervals. Some foredeck work and a bottom job is required to address cosmetic and restoration options for new owners. All necessary refurbishment has been quoted at less than \$42k.
