## Overview

---

The breakthrough in terms of concept, quality and unique style that distinguished the Alen 42, has now been taken into new heights with the Alen 55. With a center console and walk-around deck, the Alen 55 is comfortable, safe and easy to operate without the need of crew. 'Live life outside' is the spirit of the Alen 55 with an unusually generous and well thought out deck space.

# DETAILED INFORMATION

---

## Overview

---

\*Not available for sale to US residents while in US waters.

The breakthrough in terms of concept, quality and unique style that distinguished the Alen 42, has now been taken into new heights with the Alen 55. With a center console and walk-around deck, the Alen 55 is comfortable, safe and easy to operate without the need of crew. 'Live life outside' is the spirit of the Alen 55 with an unusually generous and well thought out deck space.

This is a great family boat, safe for children and friends with a single-level teak deck and deep bulwarks so that you are always 'in' rather than 'on' the boat. The walk-around aft sun bed offers easy access to the swimming platform making it a wonderful place to enjoy by the sea. The hydraulic gangway which also doubles as a swim ladder provides an ideal way to come in and out of the sea.

Meals may be enjoyed on deck with an extending table that comfortably seats eight guests. The Alen 55 has an open kitchen with all the appliances needed to prepare a delicious meal on deck. The mid-ship layout is carefully designed to ensure that guests can interact regardless of whether they are at the helm or cooking. Whilst aft and bow give total sense of privacy. An additional sun awning can be raised to cover the aft sunbathing area secured by two carbon poles set into the bulwark.

The custom-made anchor mechanism operates with the push of a button from the dashboard. No hydraulic or electric system is used that requires constant maintenance or gives any chance to failure. The hidden system also preserves the sleek lines of the hull. The well-protected and shaded central helm is equipped with the latest navigation equipment to make your life at sea safe and more enjoyable.

'Intelligent inspiration' sums up the design of Alen 55's interior. Teak flooring, leather wall panels and lacquered surfaces produce a warm, natural ambiance. The two cabins have very generous storage space without compromising the clean lines and spacious feel. The glass separation gives light and depth into the aft cabin. Two cabins, separated by a lounge and shared bathroom, ensures a comfortable stay on board for up to 4

guests.

---

## Salon

---

- Custom sofa w/ leather trim & cushions
- Leather sideboard & ceiling panels
- Mini galley area w/ 85 lt. refrigerator & storage
- S/S staircase handrail
- S/S hardware
