SPECIFICATIONS

Overview

A fine example of the popular World Cat 266 Sport Cabin, the "Catillac" has a pair of 2012 Yamaha 150 four strokes that were purchased new in 2013 and installed that spring. She sits on a 2017 Float On aluminum trailer and has been well maintained by her owner, in which she has made multiple trips over to the Bahamas and cruised in south Florida and the Chesapeake Bay. Owner's change of plans make this a unique opportunity to own a well cared for 26 with newer 4 stroke power and reliable trailer.
