SPECIFICATIONS

Overview

Here it is. This boat needs nothing! The 36' Tiara is a perfect fishing and diving platform for cruising around Florida or the Bahamas. Both motors recieved a full overhaul at 1700 hours and only have 200 hours on them since. The boat is regularly used, well maintained and nothing is spared to keep her in top condition. Mechanically she is 100% with no corners cut. This Tiara is one of a few rigged to fish with a marlin tower, walk through transom door and a custom diving platform. This is a unique opportunity to own the best equipped and maintained 36 Tiaras on the market. For a showing or any question please contact
