SPECIFICATIONS

Overview

Unique Hoek Design sailingyacht. With Heartbeat it is for the first time that a double cockpit and double coachroof layout has been designed in this size, enabling a huge aftcabin in a classic hullshape. Heartbeat is designed as a family yacht, or can be sailed with a deckhand. A winner of the Palma Superyacht Cup, she is also optimised to sail in the Spirit of Tradition Class. A finkeel with bulb combined with carbon spar and tall sailplan has given this yacht high stability. The deck layout is unique and shows an aft steering cockpit and a forward social cockpit. Heartbeat has three double cabins. The interior is beautifully styled in teak.
