DETAILED INFORMATION

BROKER'S COMMENTS

Project Boat - seller has lost interest in his vessel and is selling as is. Offers encouraged. Exterior is in need of a serious detail, she's dirty and needs some love. Interior shows well, there is a small leak in the fwd stateroom and two small leaks in the aft cabin on port and starboard. This boat will take the mariner who is ready to have a boat that has all the bones and guts, but is willing to clean her up and put some attention to detail into. Both motors run well at the dock. Haven't taken her out underway. Generator is down and is tripping the DC breaker. Electronics need to be replaced as do much of the helm switches and gauges. Isinglass on flybridge is in good shape. Priced to sell!

Exclusions

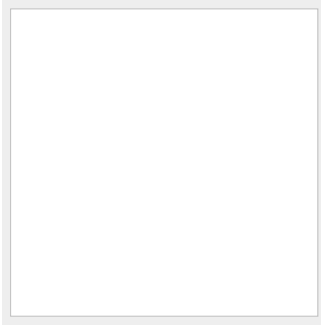

Owner's personal belongings.
