*SCOTT FREE is a Great Loop capable yacht and is on only her 2nd owner & has spent most of her life in freshwater until a few years ago. Powered by economical CAT C-30 engines and equipped with stabilizers, and bow & stern thrusters to provide easy and stress-free cruising. She also features new audio/visuals throughout. Her flybridge is massive and provides huge entertaining and seating areas thanks to the installation of a hydraulic swim platform which holds her tender. A 4-stateroom layout plus and crew quarters make her an ideal cruising yacht with truly spacious accommodations. Her interior is spacious finished off with a stunning custom millwork package. This yacht also features a unique hardtop that can be removed and stored on the bow in a matter of hours. Built with modern lines on a tried and true Tom Fexas hull design make for a comfortable ride that looks good anywhere she goes.*

## Vessel Information

---

Comfortable, spacious, solid; these are a few words that accurately describe "SCOTT FREE". Built in 2006, this 84' Cheoy Lee Bravo measures in at over 90 feet thanks to an extended swim platform from the factory and the addition of a hydraulic swim platform by the current owner. The installation of this not only allows for easy access to the water for the tender, but also affords an outstanding entertaining area on the aft bridge that would otherwise not exist and is a feature hard to come by on a yacht this size. "SCOTT FREE" spent most of her life on the great lakes with her original owner who customized this yacht to meet his discerning specifications. To accommodate the great lakes area bridges and expand her freshwater causing grounds, "SCOTT FREE" was designed with a removable hard top that can be mounted and securely stored on the foredeck and later reinstalled in just a matter of hours. This feature makes this vessel truly unique and capable of taking you places you never thought possible. "SCOTT FREE" is in truly remarkable condition and benefits from an owner who understands yachting and what it takes to own one having owned (5) yachts over 80 feet. To find out more about what makes "SCOTT FREE" spectacular and see how well she shows. **Upgrades and Notable Features:**

- 2000 Service Just Completed (October 2019)

**Flybridge:** Accessible from both the aft deck or inside via a staircase located to Starboard in the salon. The upper helm is equipped with similar electronics to the lower station and features an upgraded Crown helm seat and a Crown companion bench seat. A well-appointed L-shaped bar is located to starboard with fixed stainless steel stools, Subzero refrigerator drawers and Fire Magic gas grill. To port is a large dining table with wrap around seating, storage beneath and a dinette capable of seating the entire yacht's guests. Walking aft takes us to an impressive outdoor entertainment area that is dominated by a perfectly sized hot tub to port and a very inviting outdoor patio style lounge complete with gas fire pit that's perfect for cocktails, stories and sunsets. There is also an upgraded Nautical Structures hydraulic davit allowing for you to carry another toy of your choosing should you wish. Last and not least, "SCOTT FREE" has been outfitted with a removable hard top. This feature has been well thought out and is a "plug & play" system with mounting brackets on the foredeck. This makes this yacht a Great Loop capable vessel, a true rarity in this size range and increases the cruising grounds you will potentially find inaccessible on other yachts.
