SPECIFICATIONS

Overview

This fast and elegant express yacht is crazy affordable and carries just 375 hours on her Volvo IPS drives. "Sea Casa III" was just in the yard at CAY Marine in June 2019 receiving a complete bottom job, full service to the pods and motors and much more. Nearly \$50k was spent to get her ready for you to drive off with into the sunset. Her pod drives allow for excellent maneuverability at the docks and more importantly, make you look and feel like a seasoned veteran at all times and in all conditions. This Cruisers is in remarkable condition and is easy to access from the Fort Lauderdale International Airport. To receive even more information, photos and an in-depth brochure not found online please contact the listing agent. This Crusiers 540 shows particularly well and should be on your must-see list.
