Overview

This is truly a unique opportunity to own a beautiful, meticulously maintained cruiser from a world class builder. The owner has spared no expense keeping this boat in top condition including a recent re-power. The boat was stored indoors in a high and dry facility out of the sun and salt water and has no bottom paint. It has been washed and engines flushed after each use. The cockpit features a spacious seating arrangement perfect for entertaining guests and enjoying the sun and sea. Below decks, feel at home on a long weekend away with comfortable sleeping for four, stand up head and hot shower. The list of luxuries and conveniences is a long one, so call for an easy showing today and come see for yourself. You will not be disappointed!
