ХАРАКТЕРИСТИКИ

Обзор

The seller of this luxury vessel has covered the vessel with a manufacturer's warranty from Brunswick. This warranty is known as Brunswick Passport Premier and is in full force through May 30, 2021. The warranty spells out everything covered and includes engines, pods, controls, and electronics. With this warranty, you will have the peace of mind that you are making a sound investment in a boat that has not only been maintained but also provides the insurance to you should you have a problem. This protection generally cannot be purchased for a used boat. Along with the Warranty, this vessel has been professionally maintained with no expense spared! All Isinglass and indoor and outdoor carpeting was replaced in 2018. She has a Gorgeous Salon with leather seating, ice maker, sculptured ceiling with concealed A/C vents and lighting. The two-staterooms are impressive with a two-head layout. The master suite is gracious and is located forward with a queen-size island berth. The spacious amidship guest stateroom, spans the yacht's beam and features a double berth, thoughtfully appointed vanity and settee and plenty of storage. If you are entertaining, or just having that elusive family time, this vessel affords the space and comforts for both. Turn-key and ready for the next owner to enjoy their boating adventures!

Основная информация
