SPECIFICATIONS

Overview

Custom built in the same yard as the highly regarded Hargrave Brand of luxury yachts. Hargrave, who is a dealer for them, built several Monte Fino boats of various sizes including this one. This boat provides a buyer with a high quality custom built yacht with three full staterooms with private heads and shower. Known as the "Mini-Mega-Yacht" because of the spaciousness of design of the salon and galley with a port side lower station, Euro transom up to its large aft deck with full walk around side decks. Add the aft docking station, bow and stern thrusters, walk in stand up engine room and very comfortable fly bridge and you have a boat that is perfect for live aboard or extended cruising.

DETAILED INFORMATION

Accommodations

Most visitors who come aboard the 'Ocanos' are amazed to find that the boat has three spacious staterooms - each with en suite heads and showers. A completely separate office, at the bottom of the stairs, next to a 21 cu in Refrigerator. Two of the staterooms are located forward with the VIP in the traditional position in the bow with an island, queen-sized berth surrounded by bureaus, twin hanging lockers that provide generous storage, and an en suite head and shower. Entry to the VIP and the Third Stateroom is via an elegant foyer at the foot of the stairs from the galley and lower helm. The Master has a private entrance down stairs from the salon.

Aft Deck

- Euro Transom with two gently curved stairs to aft deck
- Custom built S/S ladder with teak pads that folds for storage and provides easy boarding from the water even with heavy scuba tanks on.
- Hot and cold hand held shower
- Glendenning electric reel with 100' of 50 amp cord
- Swim Platform, stairs and aft deck covered with maintenance free "Nu-Teak"
- S/S gates at top of stairs to fully covered aft deck area
- Port and Starboard boarding gates set up for Marquipt tide ride ladder.
- Three sided, removable shades to protect from tropical sun and enhance the intimacy of the aft deck dining experience
- Padded bench seat with storage and marquetry-topped dining table
- Five collapsible teak chairs with seat and backrest cushions and covers
- Aft deck provides comfortable dining area seating for up to eight people
- Ceiling mounted speakers and LED variable color lighting
- Four "Lumitce" SeaBlaze3 LED Blue/White underwater lights
- "Jennair" electric BBQ and U-Line refrigerator/icemaker
- Molded stairs to fly bridge

Hull and deck

- Walk around side decks covered in "NuTeak"
- Aft docking station with gears, throttles, bow and stern thrusters controls and lighting switches
- Storage clamps for Marquipt ladder

- The bow has four custom built UMT S/S fender holders and extra storage locker for lines and misc boat supplies
- Twin anchor bow pulpit for two anchors, full chain on one and chain/rode on the other
- Twin sun pad cushions
- All S/S safety rails around entire boat
- Storage compartments on both sides of bow
- Maxwell windlass

Salon

After entering the interior from the aft deck, the view is unbroken all the way to the front windows creating a feeling of surprising spaciousness for a 55' boat.

- Heavy duty S/S sliding door with new rollers and tinted glass
- Interior is classically finished in high gloss cherry wood work
- To port is a full length comfortable micro-fiber covered couch with storage
- Custom high/low fold out dining table and two pull out storage box seats
- To starboard is a curved cherry wood console for flat screen TV, sound system and wine storage
- Custom privacy shades are fitted to all windows
- Two S/S cushioned bar stools
- Teak and Holly floors are though out the boat and covered with high quality removable beige Berber carpeting in staterooms and selected areas
- Private stairs to master stateroom to starboard

Galley

The Galley is a gourmet's delight with all high end appliances and plenty of storage

- Equipped with large granite counter with twin large porcelain sinks with Grohe mixer faucet
- Flush mounted 4-burner GE Profile electric cook top
- Extractor hood fan over range
- GE Profile Convection microwave/oven
- Trash compactor and toaster oven
- "U-line" under counter refrigerator
- "Krupps" coffee maker
- Black water Monitor
- Numerous cabinets and storage drawers and ample counter surface space for food preparation

- Close to the galley and down the stairs is a 21 cubic ft refrigerator with top freezer and water and ice in the door.

Lower Helm

The lower helm is comprehensively equipped with a Raytheon electronic package

- CAT digital and analog gauges for both engines
- Start/stop engine buttons and switches for CAT Diesels
- Hynautic Engine and throttle controls
- Hynautic steering with S/S & cherry wood wheel
- Radar, GPS, VHF, Depth/speed log, compass
- Bennett Hydraulic trim tab control
- Indicator panel which alerts the helmsman of any activated bilge pumps, lights and blowers
- Bow thruster control panel
- Onan Generator start/stop panel
- Cigar lighter
- ACR spotlight control
- Maxwell windlass control
- Battery bank indicator
- Fire-boy fire control indicator panel
- Navigation light switches
- Water tank gauges
- Pilothouse window sunscreens

Electronics

All electronics are duplicated at both driving stations

- Ritchie Magnetic Compass
- Raymarine ST 800 Autopilot
- Rudder Angle Indicator
- Westmar Bow Thruster Controls
- Twin 'Hynautic' Engine Controls
- Engine Ignition Switches (lower station only) Start/Stop controls, both stations
- CAT Multi function Engine Monitoring Panel
- Synchronizing Switches (Fly bridge & Lower Helm)
- Scroll Switches for CAT Panels
- Low RPM Switches
- NorthStar' 6000i Chart Plotter & Combination Display
- (Brand New, uninstalled 'Raymarine C120' comes with boat)

- Onan Generator Start/Stop panel
- Standard Horizon' Spectrum' VHF Radio (2)
- Single side band radio with "Shakespeare" antenna located in office
- Raytheon' ST 60 Depth Gauge
- Raytheon ' ST 60 Wind Gauge
- Bennett' Trim Tab Controls
- ACR ' Spotlight and Controls
- Stereo Radio & CD Player
- Maxwell' Windlass Control
- Hailer - Stern & Bow Speakers
- KVH satellite system with four receivers
- Rear camera with display on chart plotter

Fly Bridge

Up molded stairs to starboard, brings you to the spacious, Bimini-covered flybridge with captain's console and a commanding view of the fore deck and bow from two polished teak-trimmed Pompanette' helm chairs with covers. Refreshments and drinks can be comfortably enjoyed, while underway, on the curved bench seating and fold able polished cheery-wood teak table-both with covers table. To stern, there is a fully hydraulic davit, sturdy dinghy chocks, life raft case and cradle and storage for spare props. The top of the stairs can be closed off from inclement weather with a heavy-duty sliding S/S and tinted 'Plexiglass' slide.

Office area

Unlike most "office" spaces on yachts of this size, the office on the 'Ocanos' is completely separate with a generous cherry wood desk with two sets of drawers, hanging overhead cabinets, a full sized office chair and adequate power outlets.

- Whirlpool refrigerator/freezer 21 Cu Ft with water and ice in door
- Separate full size "Whirlpool" Washer and Dryer
- HP Printer
- Excellent under-floor accessibility to bow thruster and batteries, main holding tank, gray water tank, forward bilge and heavy duty head pumps

Master Stateroom

The large, split-plan Master Stateroom is located in the stern and accessed via a

private, curved staircase on the aft-starboard side of the salon

- Queen size island berth with twin night stands
- Port side illuminated make-up vanity with stool
- Starboard side "his and hers" Cedar hanging lockers
- Floating mirrored ceiling with recessed lighting
- Gloss cherry wood finishes on all cabinetry
- Has en suite head and shower with granite counter tops
- High quality German shower and basin fixtures and Granite counter tops
- Solid brass door handles with keyed locks to all stateroom doors
- All doors have lift off hinges to aid accessibility during routine maintenance
- The steering system, 150 gallon fresh water tank, stern thruster and batteries, and bilge pump are located under the berth
- "Samsung" Flat-screen TV
- "Vacu-Flush" toilet

VIP Stateroom 1

The VIP in the traditional position in the bow with an island queen-sized berth with skylight surrounded by bureaus, twin cedar lined hanging lockers, generous storage, flat screen TV, en suite with "Vacu-Flush" head, sink with Granite counter and shower.

Guest Stateroom

The Third Stateroom, with two single side by side berths and circular shower is located on the starboard side. As with the VIP and 'Master' it is completely self contained for maximum guest privacy with head with "Vacu-Flush" toilet, sink with Granite counter, shower, flat screen TV, wall mirrors and generous, cedar-lined storage drawers and closets. A "black water" vent filter is located in the closet.

Electrical Equipment

The boat is wired for 120/240 volt power and 12/24 volt DC

- 21.5 KW Onan Generator in sound shield,-2440 hrs
- (2) Gledenning Cable Masters, stb side aft, 100' cord, port side midships, 85' cord
- Complete AC/DC panel for 12 DC Volt, 24 DC volt, 120 Volt AC and 240 volt AC equipment with breakers and volt and amp meters for all

- (4) blue/white LED underwater lights on transom
- Battery chargers, (1) Pro-mariner 24V-25 amp for engine bank (1) Promatic 24V, 35 amp for house, (1) Promatic 35-3 24V for thrusters, (1) Prosport 12V for generator
- (4) 8D lead acid for engines, (2) 8D lead acid for house, (1) 12V gel for generator, (2) Bow thruster, (2) Stern thruster
- Fire-Boy FM 200 Auto Fire extinguishing system
- "Nutone" central vacuuming system
- Bow thruster with two "Odyssey" batteries

Engine Room / Mechanical

You enter the Stand-up Engine Room through the solid fire door via the small foyer forward of the master stateroom. Access to all the maintenance items on the CAT engines is excellent and makes routine maintenance a breeze. Experienced boaters will also be impressed by the convenience of the custom work bench with vice.

- Twin Caterpillar 3196 engines, approx 1300 hours, were updated with prior owner
- Hynautic engine control pressure tank
- "Offshore" reverse osmosis water maker, 400 GPD with UV sterilizer light (unit due for service)

Broker comments

This boat shows in pristine condition looks like a much newer boat and is definitely worth the time to see her. She is located in Sunny Isles Beach (North Miami) and available to see at any time with a prior appointment. You will not be disappointed! This "one of a kind" boat has been loving cared for and maintained with an open check book.
