DETAILED INFORMATION

Accommodations

Ferretti Yachts... A fine example of Passion, Innovation and Excellence. Lindy Lou is a great example of a Ferretti 690 that will exceed all expectations in a Motoryacht.

This US specced Ferretti has only had two owners since new which have maintained this vessel to yachting expectations.

She is powered by upgraded MTU 8V 2000 Series 1268HP with ONLY 353 hours. Lindy Lou's upgraded fourth stateroom, aft galley, and full beam master are only a few appealing features that make this Motoryacht so special. Her aft galley offers a sliding glass partition to the aft deck where you will find a large teak table and ample amount of seating to enjoy drinks or meals outside. Her open galley salon offers large windows and a dinette seating area to Port which is a great area to relax with friends and family.

Lindy Lou offers a separate crew cabin for two that is located in the aft deck. This amazing design allows for privacy to the owner and guest while on board. The 690 Ferretti also includes a partial hydraulic swim platform that will allow you to stand in or out of the water when enjoying the sun. Hidden above is a davit to launch a tender effortlessly.

Recent Maintenance Includes:

- Engines, Transmissions, and Generator serviced 1/2020
- Topsides Polished 1/2020
- New Batteries September 2019
- New Bottom Paint September 2019
