SPECIFICATIONS

Overview

This fine yacht is an exceptional value, perhaps the best on the market for this sized yacht.

Her most recent survey in 2018 speaks to a vessel that is in fine condition and has been very well maintained. The Twin Cummins 6CTA 8.3 Litre Turbo 450Hp motors have been overhauled and have only 380 hours. She features a Westerbeke 8Kva GenSet, Air Conditioning, entertainment center, Garmin GPS Chartplotter and complete electronics package, new canvass, Eisenglass in excellent condition as is the upholstery.

This 4600 SCB is all about beauty, starting with its master stateroom with a queen-size bed and private access to a head compartment complete with a bathtub and a shower. All cabinetry in the master is finished in cherry wood, as was the cabinetry throughout the guest stateroom and main salon. With a refrigerator/freezer, a convection/microwave oven, a hot-and cold-water sink and a three-burner electric stove, the galley will please demanding chefs, as does its Corian ® countertops. For additional stowage of cold beverages and perishables, another refrigerator is supplied in the entertainment center aft of the galley, along with a TV/VCR and CD stereo system. The entire boat could, in fact, be viewed as an entertainment center, given that the dining and salon area can host 10 people sitting and perhaps double that standing. On warm evenings, "overflow" guests can make their way up the easily climbed stairs (thanks to well-placed stainless-steel handrails) to the top deck. Once there, you'd find a generous open area all the way aft, an L-shaped lounge that comfortably can seat six to port and yet another entertainment center with a sink and refrigerator behind the double-wide helm seat to starboard. No question, the top deck is the best place on the 4600 SCB to catch a sunset.

Basic Information

Category: Motor Yacht

Sub Category: Motor Yacht
