SPECIFICATIONS

Overview

Cray Cray is a 2013 Maritimo Yacht M58 presented by Galati Yacht Sales in Destin, FL. She has "Xenta" joysticks at Helm and Aft docking station for ease of Docking, Cockpit Controls, D.P.S. (Digital Positioning System) for holding boat in one spot, upgraded Garmin 8000 Series Touchscreen dual displays with (2) VHF 200s and intercom to Galley from Helm, underwater lights, (3) cameras, Life Raft and much, much more!

When it comes to comforts, the M58 will not disappoint you. The full beam master Stateroom is complete with a luxurious king size bed, en-suite, chaise lounge, and make-up vanity/ study. The enclosed bridge with an internal staircase will lead you to a second climate controlled salon with an extended aft balcony and sunroof.

1000 hour service recently performed and fresh bottom job as well. This model is one of the best performing and handling vessels in its size and class. The best part of an enclosed bridge is the lack of fatigue resulting in a long-range cruise in a climate controlled helm that actually doubles as a second salon. Rain, wind, and bad weather are no longer an issue like an open bridge!

Maritimo's reputation for building stylish long-range offshore cruisers and fish boats has gained much traction here in the U.S. the past few years. Known for seaworthiness in tough conditions and excellent performance throughout the line, they have almost monopolized fully enclosed Bridge motor yachts that also feature walkaround decks, internal staircases, full beam Master Staterooms, aft Galleys and Bi-fold doors that open up the whole living space as one!

Basic Information
